

Dear Champaign County Employee:

Your employer is always looking for ways to make working for Champaign County better for you. So they provide a deferred compensation plan that complements your pension and Social Security to help you get financially ready for retirement.

My name is Tom O'Connor and I'm your Retirement Specialist from Nationwide – the people who provide your deferred comp plan. I give you the tools, education and individual attention to help you with your planning.

Perhaps the easiest thing about your deferred comp plan is contributing. Money is sent from your check to your account automatically. You can establish a good saving habit without even trying. Not only that, money goes into your account before taxes come out of your check. (Your withdrawals, typically in retirement, are taxed as ordinary income.)

You can access a brief enrollment workshop today, which educates you on the plan, and walks you through the steps to print out an enrollment form, complete and submit it on your time, when it's convenient for you. It's simple!

If you have questions about the workshop or your deferred comp plan, you can call me at 309-531-9304, or the in-house Direct Access line at 877-677-3678, option 8, in the Nationwide Home Office between the hours of 8:30 am – 6:30 pm EST.

Some things can wait, but your future *isn't* one of them. Get ready now – and be ready later – with your employer's deferred comp plan!
