

Dear Multidisciplinary Team Member,

The staff of the Champaign County Children's Advocacy Center is committed to its role of facilitating a multidisciplinary response to investigations of child sexual and serious physical abuse allegations. As a member of our Multidisciplinary Team, we are very interested in your opinions about the quality of services we provide. For this reason, we have developed a survey for you to fill out and return that will help us evaluate our services. We would appreciate it if you would take the time to fill out the survey and return it to us using the enclosed self-addressed envelope.

The survey is relatively short, but we have provided space if you want to make any comments or share your opinions with us. The answers you give are completely confidential, if you so choose. If you want to include your name on the survey, please feel free to do so. This would help us respond to any questions or concerns you may have.

Your input is very important to us. We want to know your opinions about the services being provided by the Children's Advocacy Center and what we can do to improve the quality of those services. If you have any questions, please call me at (217) 384-1266.

Thank you for your time and for helping us to provide quality services in our community.

Very truly yours,

Michael B. Williams  
Executive Director
