

# CIRCUIT CLERK E-TICKETING

## Fund 632-030

This fund has been established in accordance with 705 ILCS 105/27.3e, as amended by Public Act 96-1210 effective January 1, 2011.

### MISSION STATEMENT

*The fee shall be used to defray expenses related to the establishment and maintenance of electronic citations – the process of transmitting traffic, misdemeanor, municipal ordinance, conservation, or other citations and law enforcement data via electronic means to the circuit court clerk.*

### BUDGET HIGHLIGHTS

While this fee has been collected since FY2011, the Illinois Supreme Court only began authorizing Counties to submit requests for approval for e-ticketing programs in 2013. A fully functioning automated disposition reporting system (ADR) is a prerequisite for all e-ticketing programs in Illinois. Champaign County was approved for ADR by the Illinois Supreme Court in 2013, and the program is fully functioning. The Circuit Clerk’s Office is working with the Champaign County Sheriff and all local police agencies to identify an e-ticketing vendor that best meets the needs of Champaign County. Though implementation of an e-ticketing program in Champaign County was anticipated in FY2016, the RFQ process has only begun in the second half of 2016. We do expect implementation to occur in FY2017. Therefore we have again asked for expenditure amounts in line with that expected software and equipment purchasing.

### FUND BALANCE

FY2015 Actual	FY2016 Projected	FY2017 Budgeted
\$102,042	\$124,107	\$34,207

The fund balance goal for this fund is \$20,000 – or an amount equal to one year’s worth of revenue. This enables appropriate management of expenditure in years when revenues may not be as strong. In years leading up to periodic purchases of equipment or software, the fund balance will grow above the \$20,000 goal, as it has in FY2013, FY2014, and FY2015, and FY2016 to allow for that one-time expenditure – which is anticipated to occur in FY2017. This expenditure in FY2017 is the reason for the change in fund balance of greater than 10%.
