COUNTY BRIDGE FUND 084-060

This fund is used to fund projects that involve bridge construction through county and township governments. The maximum tax rate for the County Bridge Fund is 5 cents per \$100 assessed valuation. The current tax rate is 3.14 cents per \$100 assessed valuation.

MISSION STATEMENT

The Champaign County Highway Department, in association with the Township Highway Commissioners, has been given the opportunity and distinct responsibility to provide a safe rural transportation system for the citizens of Champaign County. The County Highway Department employs its engineering expertise and vocational knowledge to provide reasonable, sensible, and responsible solutions to the challenges facing Champaign County in solicitous response to the needs of the county residents.

BUDGET HIGHLIGHTS

This fund is used first to match funding to construct bridges through the Township Bridge Program administered by the Illinois Department of Transportation (IDOT). The Township Bridge Program funding has remained steady for the past 10 years and the County Highway Department continues to have a need to construct approximately ten bridges per year to meet the sixty-year lifecycle of the bridges in Champaign County. The cost of bridge construction has risen approximately 75% during that same ten years. Therefore, it is challenging to maintain the current sixty-year lifecycle as well as continuing to look for ways to construct bridges with a longer life. Recently IDOT began to re-rate bridges for weight limits based on new criteria from FHWA. This has caused us to schedule replacement of some county highway bridges sooner than we had originally planned, causing an increase in expenditures until we catch up with the new ratings system.

Most of the funding in 2019 will be used on two major bridge projects, one in Urbana Township and one on the county highway system. Along with these major expenditures, we anticipate another 8-10 smaller county and township projects.

In FY2019, the County prepared its levy to capture new growth revenue in a potential favorable ruling in the hospital property tax exemption case. In the event of a ruling that returns the hospital properties to the tax rolls prior to the Board of Review closing the books for revenue year 2018, there is an additional \$38,414 budgeted in property tax revenue and bridges and culverts expenditure.

FINANCIAL

		Fund 084 Dept 060		2017 Actual	2018 Original	2018 Projected	2019 Budget
311	23	CURR PROP TX-CNTY BRIDGE		\$1,186,590	\$1,288,145	\$1,250,793	\$1,340,069

		EXPENDITURE TOTALS	\$1,765,741	\$2,151,000	\$2,135,000	\$1,360,000

FUND BALANCE

FY2017 Actual	FY2018 Projected	FY2019 Budgeted
\$2,582,144	\$1,697,937	\$1,698,006

The minimum fund balance goal is \$1,000,000. The fund balance is needed in order to be able to react to emergency type projects, which need to be implemented in quick order.

The fluctuation in fund balance is dependent on the timing of the completion of projects – in some fiscal years; expenditure will exceed revenue – typically followed by a fiscal year in which the reverse is true. In 2019, we anticipate a balanced budget.

EXPENSE PER CAPITA (IN ACTUAL DOLLARS)

FY2015	FY2016	FY2017	FY2018	FY2019
\$5.53	\$7.38	\$9.70	\$10.70	\$6.76

ALIGNMENT to STRATEGIC PLAN

CB Goal 2 – Champaign County maintains high quality public facilities and highways and provides a safe rural transportation system and infrastructure

• The County Highway Department has a goal to keep every bridge in Champaign County from being weight restricted and/or causing safety concerns. We inspect every bridge on the county, township and small municipal roadway system on a 4-year, 2-year or 1-year frequency based on the condition rating of the bridge.

DESCRIPTION

To design and construct bridges in the most cost-effective manner possible.

FY2019 Budget Champaign County, Illinois

OBJECTIVES

- 1. To have awarded project cost within +/- 5% of engineer design cost estimate
- 2. To keep actual project cost within $\pm -5\%$ of awarded project cost
- 3. To complete construction projects on schedule

PERFORMANCE INDICATORS

	2017	2018	2019
Indicator	Actual	Projected	Budgeted
Bridge projects designed	6	12	10
Bridge projects – constructed, supervised, and inspected	6	12	10
Actual Bridge project award cost as % of design estimate	95%	94%	100%
Actual Bridge project construction cost as % of award	99%	100%	100%
Projects completed on schedule	100%	100%	100%
