

# CHILDREN’S ADVOCACY CENTER

## Fund 679-179

Children’s Advocacy Center positions: 3.8 FTE

The Children’s Advocacy Center of Champaign County was established in 2000.

### **MISSION STATEMENT**

*To coordinate a timely, comprehensive, and multi-disciplinary response to allegations of child sexual and serious physical abuse in a safe, agency-neutral, child-focused setting. The Champaign County Children’s Advocacy Center (CAC) facilitates investigations, makes medical and treatment referrals, and assists with any consequent legal proceedings in order to protect and support the children it serves and their families. The CAC also assists in coordinating education and prevention services.*

### **BUDGET HIGHLIGHTS**

The CAC continues to be supported entirely by grants and donations. The CAC received an expansion of the current Victims of Crime Assistance Fund grant of \$82,000 in June 2017 to fund the Child Forensic Interviewer and add the Multidisciplinary Team Coordinator, add an additional contractual crisis clinician to the current programming. The CAC received grant increases from the Victims of Crime Assistance Fund and Champaign County Mental Health Board effective July 1, 2018 to provide salary increases for all four CAC staff and equipment for the CAC facility. The Violent Crime Victims Assistance (Illinois Attorney General’s Office) and the Department of Child and Family Services continuation grants will remain at the same funding level as FY19. The National Children’s Alliance grant was eliminated for all Children Advocacy Centers in Illinois for FY18. The grant money was redirected to the Children’s Advocacy Center of Illinois where the funds will be used to provide training and support free of charge to CACs within the state.

The Center’s primary grant funders are the Illinois Department of Children & Family Services, Illinois Criminal Justice Information Authority (funded through the Children’s Advocacy Center of Illinois), Champaign County Mental Health Board and Illinois Attorney General.

In FY2019, the CAC again solicited voluntary payments from local law enforcement agencies. These assessments generated revenue of \$10,000.

Another source of revenue for the CAC is private donations. Donations this fiscal year include proceeds from the annual *Child Abuse Prevention Month Fundraiser*, church donations, club donations, a holiday mail appeal, and private donations through the Champaign County United Way Campaign. The CAC will budget for \$12,130 in Gifts and Donations for the year.

In the spring of 2015 an endowment of \$5,000 was established on the CAC’s behalf at the Community Foundation of East Central Illinois. Proceeds will be disbursed directly to the CAC, and donors may add to the endowment at any time. The first endowment revenue was disbursed in 2018, and the CAC continues to receive quarterly endowment funds.

On July 1, 2019 the new Criminal and Traffic Assessment Act implemented a \$10 Children’s Advocacy Center fee for each criminal conviction in our service area. Champaign County and Ford County will remit payment to the CAC on a monthly basis for all funds collected under the CAC fund. It is estimated that the CAC will receive approximately \$9,000 in funds from fines/fees from the State of Illinois. This is the first time the Champaign County CAC will receive these funds. Currently, 90% of the other CACs across the state of Illinois have received these funds as an ongoing revenue for the past several years

The CAC fund balance helps ensure that a positive cash balance is maintained despite the fact that some grant funding agencies reimburse the CAC for expenses after services are rendered, and that payments from the State of Illinois are often late. The CAC strives to maintain a minimum fund balance equal to 10% of actual revenue.
