

CORONER
Fund 080-042

Coroner positions: 6 FTE

The position and duties of the Coroner are statutorily defined in the Illinois Counties Code (55 ILCS 5/3-3).

MISSION STATEMENT

To investigate the cause and manner of death of anyone who falls under the jurisdiction of the Coroner as prescribed by law. The Coroner’s Office sustains teamwork in medico-legal death investigations, delivered with compassion and respect, for the health and well-being of the people of Champaign County.

BUDGET HIGHLIGHTS

New volunteer Deputy Coroner Harlow Mae joined the coroner’s office in September 2019. Harlow is a 3-year-old Golden Retriever who passed her training as an AKC Canine Good Citizen and her Alliance of Therapy Dogs training certification as a comfort/therapy dog. Harlow accompanies her owner, Coroner Northrup, to the office 4 or 5 days per week to provide comfort to grieving family members and the general public when they come to the office.

Facing uncertain times with the emergence of the COVID-19 (Coronavirus) pandemic in January and February of 2020, the coroner’s office enacted several disaster plans and response protocols to prepare for a surge of fatalities related to the pandemic. The coroner’s office obtained a refrigerated storage trailer through our county EMA and IEMA agencies to assist with management and temporary storage in the event of mass fatalities. Coroner staff met with representatives from the University of Illinois to survey the ice arena for use as a temporary morgue facility if other resources were exceeded. Thankfully, fatalities from the COVID-19 pandemic did not rise to levels requiring the use of these resources however; we did assist one area hospital with temporary storage needs for reasons unrelated to the pandemic.

5. To issue temporary and permanent death certificates in a timely manner
6. To assist the public with information relating to organ and tissue donation; SIDS; Do Not Resuscitate Orders (DNR’s); and Health Care Power of Attorney (HCPOA)
7. To continuously update training, education, and preparedness for mass fatality incidents
