

PHYSICAL PLANT
Fund 080-071

Physical Plant positions: 22.5

MISSION STATEMENT

The Physical Plant will strive to provide a safe, clean, and comfortable environment for County employees and visitors in all County buildings, and to maintain and upgrade the integrity of all primary and secondary building systems.

BUDGET HIGHLIGHTS

The FY2021 Physical Plant operations budget represents a 14% decrease in non-personnel expenses from FY2020. The FY2020, transfer to the Capital Asset Replacement Fund decreases to \$1,574,500 million from FY2020’s \$2,050,00 to help offset projected County income deficiencies.

Rental income for FY2021 increased by \$97,715 due to contractual increases in lease agreements.

The Physical Plant anticipates utility rates to staying relatively the same over the next two years. The Physical Plant continues to look for new energy efficient projects and other ways to help the County use less electric, gas and water utilities. Fully funding our Capital Asset Replacement Fund and 10-year plan will help to upgrade building systems to greener technologies (e.g., energy efficiency lighting and control systems) and help decrease the County’s energy consumption.
