## Instructions to Participate in the Zoom Conference

If you do not plan to speak during public participation, and just want to watch the meeting, it will be live streamed at <https://video.ibm.com/channel/champco1776>. You only need to utilize the Zoom Conference Bridge if you are a Board member or if you are a member of the public who wishes to speak to the Board during public participation.

**You will need a computer with a microphone and speakers to join the Zoom Conference Bridge; if you want your face broadcast you will need a webcam.**

Go to <https://us02web.zoom.us/j/84341908219> and join the meeting.

If prompted to download software and install Zoom software, do so.

When the meeting opens choose to join with or without video. (Joining without video doesn't impact your participation in the meeting, it just turns off YOUR video camera, so your face is not seen. Joining without video will also use less bandwidth and will make the meeting experience smoother).

Join with computer audio.

Once you are in the meeting, click on "participants" at the bottom of the screen.

Once you've clicked on participants you should see a list of participants with an option to "Raise Hand" at the bottom of the participants screen. If you wish to speak click "raise hand" and the Chair will call on you to speak.

After you speak, if you wish to continue watching the meeting please disconnect the Zoom Conference Bridge and browse to <https://video.ibm.com/channel/champco1776>, where you can watch the live stream of the meeting.
