- Police data:
  - o Contact
    - Station Adjustments (formal & informal)
  - o Arrests
    - Paying attention to discretionary offenses
  - o Charges
  - o Outcomes
    - Diversion
    - Detention
    - Probation
  - o Financial impact on community & juvenile
- Detention Center Data (report available through IJJC)
  - o Sentenced vs. staying for risk
  - o Financial impact on community & juvenile
- School Resource Officer Data
  - o Arrests
  - o Charges
  - o Outcomes
  - o Financial impact on community & juvenile

Other questions that our group will explore:

- What are the processes/procedures in Champaign county for:
  - o arresting juveniles
  - o Admitting to Detention
  - o Sentencing to detention
  - o SRO contact
  - o Budgeting

Possible action items/recommendations that might come from this subcommittee:

- Provide concrete examples of existing and possible alternatives to incarceration & justice system involvement
- Recommend the adoption of best practices & updating procedures for Police/SRO's and Juvenile justice system including probation & detention to reduce racial disparities and incarceration of young people

- Creating propaganda/campaign to encourage our community to de-invest and/or re-invest justice system funding/resources
