**Case 685-AT-11 Petitioner: Zoning Administrator**

**Request: Amend the Champaign County Zoning Ordinance by revising Section 6.1 by adding standard conditions required for any County Board approved special use permit for a Rural Residential Development in the Rural Residential Overlay district as follows:**

- (1) Require that each proposed residential lot shall have an area equal to the minimum required lot area in the zoning district that is not in the Special Flood Hazard Area;
- (2) Require a new public street to serve the proposed lots in any proposed RRO with more than two proposed lots that are each less than five acres in area or any RRO that does not comply with the standard condition for minimum driveway separation;
- (3) Require a minimum driveway separation between driveways in the same development;
- (4) Require minimum driveway standards for any residential lot on which a dwelling may be more than 140 feet from a public street;
- (5) Require for any proposed residential lot not served by a public water supply system and that is located in an area of limited groundwater availability or over a shallow sand and gravel aquifer other than the Mahomet Aquifer, that the petitioner shall conduct groundwater investigations and contract the services of the Illinois State Water Survey (ISWS) to conduct or provide a review of the results;
- (6) Require for any proposed RRO in a high probability area as defined in the Illinois State Historic Preservation Agency (ISHPA) about the proposed RRO development undertaking and provide a copy of the ISHPA response;
- (7) Require that for any proposed RRO that the petitioner shall contact the Endangered Species Program of the Illinois Department of Natural Resources and provide a copy of the agency response.
