

PRESS RELEASE FOR IMMEDIATE DISTRIBUTION

Recognizing the unprecedented events surrounding the escalating spread of COVID-19 virus and understanding the importance of our community and staff member's health and well-being, effective immediately, the Champaign County Supervisor of Assessments office will be closed to the public until April 6, 2020. This limitation of public access to the office is an effort to reduce the potential spread of the virus.

We encourage eligible residents to return Senior Citizen Exemption forms, Disabled Persons and Disabled Veterans Exemption forms, via **U.S. Mail**, to the Supervisor of Assessments office at 1776 E. Washington St., Urbana, IL 61802. Please remember that the deadline to return the forms is **December 31, 2020**.

Access to property assessment information and property tax exemption forms are available online at the Champaign County website www.co.champaign.il.us under the County Assessment Office.

You may also contact our Office by email at assessor@co.champaign.il.us or phone 217-384-3760 in lieu of physically visiting the office.

This is an evolving situation and we appreciate your patience and understanding.
