Summary

Champaign County Emergency Management Agency (CCEMA) remains focused on the COVID-19 response and recovery with an emphasis on vaccine administration. This effort includes public messaging, oversight of the testing site at Marketplace Mall, and supporting the vaccination clinics. This period included a focus on messaging the importance of vaccines to all residents in Champaign County.

COVID-19 Response

**Champaign County has distributed 183,813 pieces of PPE** including N95 respirators, surgical masks, hand sanitizer, gloves, touchless thermometers, and other support items. CCEMA also maintains supervision of the Champaign County Testing Center near Marketplace Mall. **The center tested 161,501 people** as of September 30<sup>th</sup>, 2021, since officially opening on May 19, 2020. The County EOC also established a PPE reserve that is stored at CUPHD in case of emergency. This is a 90-day stock to support first responders and the hospitals in case of resurgence.
