#### **Department Personnel Spreadsheet (Excel)**

- 1. Verify the accuracy of current staffing and salary information as documented in your spreadsheet.
  - The spreadsheet is listed by line items with an alphabetical listing of employees regardless of their FLSA or union/non-union status.
  - All salaries are entered at the current FY2016 rate.
  - Salary Administration will provide updated listings with FY2017 increase calculations, after verification of current staffing, and after adoption of all salary increase information for FY2017 (via negotiated collective bargaining agreements or County Board adoption of the salary administration plan for non-bargaining employees).

The County is analyzing the new FLSA rule (effective December 1<sup>st</sup>) in order to determine an appropriate course of action to manage this change.

- 2. For corrections, contact Evelyn Boatz, Salary Administration 384-3776 or <a href="mailto:eboatz@co.champaign.il.us">eboatz@co.champaign.il.us</a>. Verify with Evelyn the change/correction and corresponding change in the department personnel total.
- 3. Enter the name of the reviewer on the spreadsheet and the date of review.

# **FY2017 Requested Budget**

1. Revenue Lines: Provide an estimate to be received in each revenue line based upon your current knowledge of revenue expectations.

#### 2. Expenditure Lines:

- PERSONNEL: Upon confirmation of your Personnel Spreadsheet, personnel expenses for FY2017 will be entered on your Budget Worksheet by Administrative Services Salary Administration. If your budget includes fringe benefit line items, those FY2017 personnel line items will also be entered by Administrative Services.
- COMMODITIES & SERVICES The County Board has directed that these items be prepared so that the total of non-personnel expenditures for your department reflects a 0% total change from the original FY2016 budget. The only exceptions are for contractual increases required by competitively negotiated contracts for services and the documented need for an increase in commodities based on FY2016 utilization and/or cost increases.

If a budget increase is requested based on the County Board's allowance, please complete the **Line Item Justification Form** (located in your R drive folder and under *Forms/FY2017 Budget Preparation* on the County website). It is requested that departments strive to offset a documented increase by reducing other appropriations to the maximum extent possible.

- 3. New Line Items (Revenue and/or Expenditure if required)
  - Enter at the end of either the Revenue or Expenditure Section in the rows with \*\* in Column E; and
  - Contact Barbara Ramsay, Auditor's Office, at 384-3763 or <a href="mailto:bramsay@co.champaign.il.us">bramsay@co.champaign.il.us</a> to request the line item to be added to the budget file.
- 4. The Work Area Column may be used for calculations in preparing your FY2017 budget request.

#### **Budget Document (Word)**

#### \*\*Accessibility\*\*

The County will strive to publish its FY2017 Budget in an accessible format. More detailed accessibility information is provided at the end of this document; however, please keep these things in mind when preparing your budget document(s):

- Do not import styles from other documents, only information
- If inserting a table, select "Insert Table" not the "Table" button
- Add Alt Text to describe any charts (including Organization charts)
- Use the "Check Accessibility" function to check your Word document

The 080-\_\_\_ Word document in the "R" drive is your Department's FY2016 document, with the financial information cleared. You will need to update this Word document for FY2017 by following these instructions. Please work on this document in the "R" drive, and please do not save multiple copies of this document in the "R" drive.

- 1. **Department Organization Chart:** Contact Tammy Asplund with changes, 384-3776, <a href="mailto:tasplund@co.champaign.il.us">tasplund@co.champaign.il.us</a>. You will need to add "Alt Text" to this image in order for it to be accessible. Instructions are provided for this under Accessibility Information.
- 2. **Mission Statement:** Review and update if necessary.
- 3. **Budget Highlights**: Explain notable changes to FY2016 and FY2017 revenues and/or expenditures. Provide an overview of operational highlights for your department focusing on operational changes which are impacted by either budget, or other outside forces (statutory mandates, demographic changes etc.).
- 4. **Financial:** The Budget Document will be imported here by Administrative Services.
- 5. **DO NOT CHANGE** Expense Per Capita & FTE History: Administrative Services will update these numbers based on your budget and personnel staffing.

- 6. **Alignment to Strategic Plan:** Review and update Departmental Goals/Objectives to align with the County Board's Goals as noted in the current Strategic Plan (the Goals remain unchanged from FY2016). It is not necessary to utilize every Goal, only applicable Goals. The Strategic Plan is included with these instructions.
- 7. **Description of Services**: Include a general statement or description of services provided by your department, supported by objectives and performance indicators for each operational division. For some departments/funds, this can include as many as four or five operational areas, and in other departments there will be only one.
- 8. **Objectives**: Review and update this section of the document based upon your current goals and strategic plan.
- 9. **Performance Indicators:** Update information for each indicator for **2015 Actual**; **2016 Projected**; **2017 Budgeted**.
