18:03:40 From Thom Moore To Lynn Canfield(privately) : I have sat in on the listening committees that both Urbana and Champaign are having, and mental health comes up frequently. I think it would be good if one of the staff would participate in these. Have you been in those?
18:04:51 From Lynn Canfield To Thom Moore(privately) : No, we have not. But each time there is a shooting, people contact me to say we are doing this wrong. Are there additional listening sessions? Mark may have attended these.
18:10:52 From Lynn Canfield To Thom Moore(privately) : I have shared the schedule with Mark and Shandra so that between the three of us we cover the rest of those sessions.
