## **For Immediate Release**

The Champaign County Treasurer's Office made its first distribution of 2021 property taxes on Wednesday. Over \$113 million dollars was distributed to approximately 300 Champaign County taxing districts with 10% being held back to cover rejected payments, refunds, and returns.

Combined Settlement Sheets for the taxing districts showing the first distribution breakdown will be available on the Treasurer's website beginning Friday, June 10, 2022. This year's settlement sheets contain a new recapture fund in accordance with Senate Bill 508. This bill allowed taxing districts to request funds lost last year due to post-extension assessment appeals. This new fund created a slight delay in processing but reflects the additional funds collected per the taxing districts' requests.

If you require a more detailed breakdown of payments, please email the office at [treasurer@co.champaign.il.us](mailto:treasurer@co.champaign.il.us).
