The Veterans Assistance Commission program continues to stay busy.

Funds Assist – VAC changed procedures to limit a \$350.00 per month. This allowed for a smoother process. Clients arrived on the first of the month and were given an appointment to return. This alleviated the lines and the long wait. Five more veterans were assisted with the new monthly allotment. Only six veterans denied.

VA Claims – Notified by the two clients that their claims came back approved. Claims will bring both veterans combined a total of \$2100.00 per month.

Community – Was asked to participate and attended a Veterans Advisory Board held by Congressman Rodney Davis. Attended a veterans job fair.

Denials – Denials went down in June by two veterans. Still getting several veterans from other counties seeking service.

Training – Trained in Springfield with personnel from the Hines VA staff
