This Licensed Program Maintenance Agreement (this "Agreement") is made as of the date set forth above (the "Effective Date") by and between Jano Technologies, Inc., a Mississippi corporation ("JANO"), with its principal office located at 4798 McWillie Drive, Suite D, Jackson, Mississippi 39206, and the County of Champaign, Illinois, a body politic ("County"), with its principal office located at 1776 East Washington St., Urbana, Illinois 61802.

RECITALS:

Whereas, JANO and the County intend that JANO shall provide software maintenance and support services for the CLERICUS MAGNUS software product

NOW THEREFORE, in consideration of the covenants and agreements contained herein, and for other good and valuable consideration, the receipt, sufficiency, and adequacy of which are hereby acknowledged, the parties agree as follows:

1. **Definitions.** This Agreement describes the services, fees and procedure whereby JANO will provide the Program Maintenance Services (as defined hereafter) to the County. In this Agreement, the following terms shall have the following meanings. Capitalized terms used, but not defined, herein shall have the respective meanings ascribed to them in the Prime Contract.

a. **Licensed Program(s).** The term "Licensed Programs" or "Licensed Program" refers to the JANO computer program, including both source code and object code, commonly known as CLERICUS MAGNUS Integrated Justice

Information System which is incorporated herein by this reference, including both the standard and optional features therein, that has been provided to and for the benefit of the County and its Affiliates.

b. Associated Documentation. The term "Associated Documentation" refers to any written materials relating to any Licensed Program, including, without limitation, installation instructions, operating service manuals, and training materials provided by JANO in connection with any Licensed Program.

c. Software. The term "Software" refers to the Licensed Programs and Associated Documentation, and any corrections, modifications, additions, revisions, or enhancements of the Licensed Programs and Associated Documentation, that are provided to the County pursuant to this Agreement or the Software License Agreement.

2. **Program Maintenance Services.** The following program maintenance services shall be provided by JANO under this Agreement (collectively, the "Program Maintenance Services"):

a. **Licensed Program Services:** JANO will attempt to duplicate any problem the County is having, and, if the problem is caused by a defect in the Software, JANO will promptly correct or provide a reasonable bypass for the defect. A "defect" is defined as any problem in the Software which causes it to deviate from the specifications and the warranties for such Software set forth in the Software License Agreement and the Prime Contract. A "reasonable bypass" is a temporary workaround that provides substantially all of the previously-existing functionality and features of the Software without involving any material increase in time, resources, or effort on the part of the County or its Affiliates, or any material degradation in performance of the Software. Corrections of defects will be made by JANO through distribution of Software fixes, either on magnetic media or via electronic customer support (as described below). Cumulative defect corrections will be included with new Software releases when such releases are distributed. The County agrees to provide JANO with reasonable access to any of the County's computers, or to any of its information technology personnel, as needed and as reasonably requested, to assist JANO personnel in ascertaining the nature and extent of the problem and in determining possible solutions. Jano shall provide reasonable methods by which the County's designated contact persons shall report problems or apparent defects with the Software (including providing a toll-free telephone number, a facsimile number, an email address, and the URL of a World-Wide Web site through which problem reports may be submitted). Upon receiving the report of any problem, JANO shall immediately assign appropriately qualified personnel and begin diligent efforts to determine the cause of, and to promptly resolve, such problem. JANO shall continuously use its best efforts to resolve critical problems (i.e., those in which all or a substantial portion of the functionality of a Licensed Program or the System is unavailable for use by a significant number of the County's or its Affiliates end-users) within eight (8) hours after such problem was reported. JANO shall use all commercially reasonable efforts to resolve non-critical problems within two

(2) days, or as soon as commercially reasonable given the nature and extent of the impact of such problem upon the County and its Affiliates. JANO shall keep the County reasonably updated as to the status of all reported, but unresolved, problems.

b. Licensed Program Releases. From time to time, updates and releases of the Licensed Programs will be distributed by JANO to its customers (including the County) and shall include, but shall not be limited to, new features, performance improvements, cumulative corrections or fixes, revisions, or enhancements that have been made to the Software since the last release or initial installation (each such update or release, a "Program Release"). JANO shall make available to the County any Program Releases necessary for the County to maintain compatibility with the most current releases and versions of the underlying operating system and database software (and the most current fixes and patches to such releases and versions) within a reasonable amount of time after such releases, versions, fixes, or patches become generally and commercially available to the licensed users of such software. The County shall be offered each Program Release by JANO at approximately the same time that such Program Release is made generally available to JANO's other customers. The County shall have the right, but not the obligation, to install any such Program Release. Installation of a Program Release is the County's responsibility. If the County has made modifications or additions to the Licensed Programs, JANO cannot be responsible for the successful installation of any Program Release, or for the correct operation, in conjunction with the new release, of any change or addition the County has made. If the County elects to install the Program Release it must do so within 180 days after JANO makes the release generally available to its customers (including the County). JANO assumes no responsibility for any Licensed Program defects contained in prior Program Releases in the event that a new Program Release has been made available by JANO but is not installed by the County within such 180 day time period, and JANO cannot guarantee that hotline questions regarding such prior Program Releases will be properly or correctly answered. To the extent consistent with the foregoing provisions of this paragraph, each party shall reasonably cooperate with the other with respect to the County's migrating to new releases and versions of operating system or database software (or fixes and patches to such releases and versions) and each party shall use commercially reasonable efforts to keep the other party reasonably well-informed, both prior to and following any such migrations, regarding any problems that might reasonably be anticipated and any problems actually encountered.

c. Telephone Hotline Support: Telephone Hotline Support shall be provided to the County during JANO's normal business hours of 8:00 a.m. to 5:00 p.m. Central time (whether standard or daylight time, as applicable), Monday through Friday. The County agrees to follow any reasonable hotline guidelines, as disseminated by JANO to the County, from time to time, reasonably in advance of when such guidelines take effect. For example, JANO asks that the County inform the JANO operator that the County's call is a hotline call for a particular Licensed Program (giving its name). Telephone Hotline Support includes, but is not limited to, application support and problem resolution for

all Licensed Programs, answering "how to" questions, and responding to general inquires.

d. Electronic Customer Support: Electronic Customer Support is provided by JANO by electronically connecting the JANO computer to the County's computer via communication line, allowing JANO to remotely troubleshoot problems and distribute Software fixes to the County electronically. In order to utilize this Electronic Customer Support, the County is required to have, at the County's expense, communications support (hardware, system software, and a working, reliable connection to the internet) that is compatible with JANO, the specifications of which shall be promptly provided to the County in writing upon request. The County must authorize JANO to establish this service and, once authorized, JANO shall promptly establish such service. The parties shall jointly establish the reasonable security ground rules that will be followed. For example, JANO shall be required to obtain the County's written approval to view or change the County's or its Affiliates' data files while performing on-line troubleshooting or corrections. The County may be subject to pay any other telephone toll charges reasonably incurred by JANO in providing electronic customer support. Such charges will be itemized and billed to the County monthly, as provided for in this Agreement.

e. Licensed Program Currency: When an entity other than the County or any of its Affiliates, or a change in applicable laws or regulations, requires a change to be made in a data file layout or a report, or some other change to existing Licensed Program functionality, JANO will promptly make the necessary modifications to the Licensed Programs to comply with those required changes. Modifications necessitated by changes applicable laws or regulations, or by changes required by a regulatory agency, shall be made without charge. When changes are required by the County or any of its Affiliates and those changes require modifications to existing Licensed Program functionality, JANO has the option of charging the County for the specified changes at the rate of \$132.50 per hour.

3. **Fees, Invoicing and Payment.** The County agrees to pay all undisputed invoiced amounts, according to the terms specified in this Agreement. The total amount due for 37 months of maintenance will be \$528,413.80, and will be paid in six installments according to the following schedule:

Due January 1, 2020:	\$85,478.95
Due July 1, 2020	\$85,478.95
Due January 1, 2021:	\$88,043.32
Due July 1, 2021:	\$88,043.32
Due January 1, 2022:	\$90,684.62
Due July 1, 2022:	\$90,684.62

Payment of an invoice shall be due within thirty (30) days after the County’s receipt of the invoice, absent notice by the County of any discrepancies or failure by JANO to provide the Program Maintenance Services in accordance with this Agreement.

4. **Miscellaneous.** Each party agrees that: (a) it shall not use the other party’s name trademarks, trade names, service marks, logos, or other designations in any promotion or publication without the other party’s prior written consent (and specifically with regard to JANO, JANO shall not reflect or represent in any promotion or publication that the County or any of its Affiliate approve of, or advocate the use of, the Software, without the County’s prior written consent); (b) all information provided by the other party (and with respect to the County, its Affiliates) that could reasonably be considered confidential shall be kept in strict confidence and shall not be disclosed to any third party without the third party signing a reasonable confidentiality agreement; and (c) it will notify the other party of any breach of this Agreement and allow the other party a reasonable opportunity (not more than thirty (30) days) to cure any such breach and comply with the terms hereof before it claims that the other party has breached any of its obligations under this Agreement.

5. **The County’s Responsibilities.** The County agrees: (a) to provide JANO with reasonable access to the County’s facilities as necessary for JANO to fulfill its obligations, and if the County becomes aware of any reasonably unsafe conditions, or hazardous materials, to which JANO personnel would be exposed at any of the County’s facilities, the County agrees to promptly notify JANO; and (b) to appoint a contact person for the County and one for each of its Affiliates, which contact persons shall have completed all the appropriate JANO training, and who, upon JANO’s reasonable request, will disseminate JANO’s instructions or corrections throughout the County’s organization.

6. **Term and Termination.** At the expiration of the Initial Maintenance Period (as defined on the first page of this Agreement), and upon expiration of each subsequent Renewal Maintenance Period, the County shall have the right to purchase maintenance services for an additional period (each such period, a “Renewal Maintenance Period”). JANO shall give the County sixty (60) days written notice prior to the expiration of the Initial Maintenance Period and of each Renewal Maintenance Period, of its intent to seek a change in the applicable annual maintenance fee. Any such change in the annual maintenance fee for Renewal Maintenance Periods shall be negotiated by the parties in good faith, and shall reflect a fair and reasonable fee

based on the customary and prevailing rates for similar services in the software industry. In no event shall any such change result in greater than a six percent (6%) increase in any twelve (12) month period following the Initial Maintenance Period, not including the impact of upgrades as specified in paragraph 7 below.

Either party may terminate this Agreement upon sixty (60) days written notice if the other party is in material breach of any of the terms of this Agreement, provided the breaching party is given prior written notice thereof and reasonable time (not to exceed thirty (30) days) to cure such breach.

In the unlikely event that JANO, or any of its successors or assignees, ceases offering the Program Maintenance Services, the County shall have the right to obtain from JANO, or its successors or representatives acting on behalf of JANO, such documentation as JANO shall have for, and immediate access to, the Software's source code so that the County may maintain its normal use of, and may modify as necessary, the Licensed Programs. Such documentation and source code shall be licensed to the County without additional charge, in accordance with the terms and conditions set forth in the Software License Agreement.

7. **Upgrade Impact on Maintenance Fees.** In the event that, during the term of this agreement, the Licensed Programs are upgraded via purchases of ad-hoc new software features or via custom programming under a separate written agreement between the parties, that separate written agreement may include fees for software maintenance for that new program code only. Those fees, if applicable, will apply for maintenance during the term of this maintenance agreement, and any Renewal Maintenance Period may be negotiated in good faith to include yearly maintenance fees to include this new, additional software.

8. **Assignment.** Neither party shall assign or in any other manner transfer or convey this Agreement, or any rights, duties, or obligations under this Agreement, without the prior written consent of the other party.

9. **Amendment.** This Agreement may be amended only in a writing signed by both JANO and the County.

10. **Applicable Law and Venue.** This Agreement shall be construed in accordance with, and any and all disputes arising out of or in connection with this Agreement shall be governed by, the laws of the State of Illinois, without regard to conflict of laws provisions thereof. In the event any party commences any legal or equitable action or proceeding to enforce the provisions of this Agreement, or to seek damages as a result of the breach of this Agreement, such action or proceeding shall be brought in a state court in the State of Illinois or in the United States District Court for the Central District of Illinois, and each of the parties hereby expressly consents to the jurisdiction of such courts over themselves and the subject matter of such actions or proceedings.

11. **Relationship of the Parties.** The parties acknowledge and agree that JANO is an independent contractor. The personnel of one party shall not in any way be considered agents or employees of the other. To the extent provided for by law, each party shall be responsible for the acts of its own employees. Each party shall

be responsible for Workers’ Compensation coverage for its own personnel. Further, JANO represents that it has complied, and warrants that it shall comply, with all federal, state and local laws and regulations regarding business permits and licenses that may be required for its performance under this Agreement and JANO warrants that it shall comply with all applicable laws and regulations in its performance under this Agreement.

12. **Confidentiality of the County Information.** JANO acknowledges that it may have access to confidential information of the County and its Affiliates because of its access to the County’s and its Affiliates’ records and facilities. JANO shall not use or review any written or verbal information which, by its nature and under the circumstances is confidential, including, but not limited to, information in court files (such as name, addresses, and nature of the matter), and any other information the County or its Affiliates deems confidential and notifies JANO of same. JANO shall in no event disclose any information as to which disclosure is prohibited by applicable law.

13. **Notices.** Any notices given pursuant to this Agreement shall be deemed effective when sent by certified mail, return receipt requested, or when sent via facsimile, transmission confirmed, to the following:

14. **Severability.** Should any provision of this Agreement be deemed by a court having jurisdiction to be invalid or unenforceable, such provision shall be severed from this Agreement and the remainder of this Agreement shall be deemed valid and enforceable and shall remain in full force and effect.

15. **Waiver.** Any waiver by any party of any breach of any term, covenant or condition of this Agreement shall not be deemed to constitute the waiver of any further breach of such term, covenant or condition or the waiver of any other term, covenant or condition of this Agreement.

16. **Entire Agreement.** This Agreement constitutes the entire agreement between the parties regarding the subject matter hereof. Neither of the parties has made any representation, oral or written, with respect to the subject matter of this Agreement, or any representation inducing the execution and/or delivery of this Agreement, except as specifically set forth or referenced herein. Each of the

parties also agrees and acknowledges that it has relied on its own judgment in entering into this Agreement.

17. **Binding Effect.** This Agreement shall inure to the benefit of, and be binding upon, the parties hereto, and their personal representatives, successors and assigns. Each Affiliate of the County shall be deemed an express and intended third-party beneficiary of this Agreement and shall be entitled to assert any claim or suit, or take any other action, to the extent that it shall deem necessary or appropriate to enforce the rights of the County hereunder.

18. **Non-Solicitation.** Each party has gone to considerable time, effort, and expense to develop well-trained, experienced, and professional employees, and considers its employees to be an important asset of its organization. Therefore, except with the prior written consent of the other party, neither party shall, during the term of this Agreement and for one (1) year after expiration or termination thereof, solicit, attempt to hire, or hire any current or former employee of the other party, unless such person has not been employed by the other party for a period of at least one (1) year.
