32 Ms. Julie Pryde provided an update on COVID-19 and reported that our Region
33 will be going into Tier 3 mitigation, cases and hospitalizations continue to rise, and
34 Champaign County currently has 1,509 active cases. Due to the increase in cases,
35 CUPHD recommended that schools go to remote learning. COVID testing at the mall is
36 delayed with results in 4-5 days. Other local testing such as with Carle and OSF, results
37 are received in a timely manner. CUPHD continues with contact tracing efforts.

41 Mr. Jim Roberts addressed the Board regarding an Ordinance for Enforcement of
42 Tiered COVID-19 Mitigation to look at increased enforcement with recent changes
43 made to the Illinois Administrative Code allowing for enforcement regarding face mask
44 wearing and large gatherings. Current procedures include issuing a notice of non-
45 compliance, followed by a notice of disbursal, and finally a notice of future prosecution.
46 An Ordinance of Enforcement would create a tiered fine structure in response to the
47 violation of mitigation rules. A proposed ordinance would need to be approved by the
48 CUPHD Board of Health, the County Board of Health, and the Champaign County
