# School Days

Fill in the missing words from the chorus of "School Days" then find them in the puzzle. Search horizontally, vertically, diagonally, forwards, and backwards.

\_\_\_\_\_ days, school days

Dear old \_\_\_\_\_ Rule days

\_\_\_\_\_ and `riting and `rithmetic

Taught to the \_\_\_\_\_ of a hick'ry \_\_\_\_\_

You were my \_\_\_\_\_ in calico

I was your \_\_\_\_\_, barefoot beau

You \_\_\_\_\_ on my slate, "I \_\_\_\_\_ You Joe"

When we were a \_\_\_\_\_ of kids

## Volunteer Corner—September 2010

I have been sworn in as a deputy registrar and can register any resident of the State of Illinois so that the right to vote can be undertaken. I can register our residents, family members and staff. I will be going around the nursing home to obtain new registrations and changes of address. The General Election is November 2<sup>nd</sup> and all registration needs to be done by October 1<sup>st</sup>. Voting for residents will take place here on the morning of October 29<sup>th</sup> in the family dining room. If you or someone you know would like to register to vote, please let me know.

As I write this, I hope that I can honestly report that the extreme outside temperatures are done and we can start to adjust to more temperate weather. And, now that it is nicer, we need volunteers to wash the outside of the windows here. There are more than 500 windows and they are dirty. If you and a group of co-workers, church group or other organization would like to do some community service, let me know. Groups of six are an ideal size. Coming in several days will get the job done within a reasonable time frame.

As we move into the cooler months, I will be paying more attention to the bird feeders around the building. There are several poles that don't have feeders and several feeders that don't have bird seed. And, during the winter months, suet should be put out for the birds. If you can donate some items for our resident's friends, then

bring stuff to the activity room.

There is a need for a Monday Morning (10:00 a.m.) hostess for our Red Hat Club. One hour each week every Monday (except the second Monday) is all that we ask.

We need help with our Tuesday afternoon (2:15 p.m.) manicure sessions. This touch therapy is well attended and there are more hands to get done than there is time for. Please consider helping us.

Have you done some traveling? Would you be willing to offer our residents a live slide show telling about your travels? On the 1<sup>st</sup> & 3<sup>rd</sup> Wednesday at 3:45 p.m. we offer Armchair Traveler. A 30-minute presentation will help us.

The center courtyard will soon be ready to have some plants added; some help with that project would be appreciated.

If you know of someone who would like to join the CCNH auxiliary, please contact me. The dues are only \$5.00/year and there a no required meetings. We are seeking individuals who can offer 25 hours of service each year. Please contact me.

Jim Hronek,  
Volunteer Coordinator.
