

**AN INTERGOVERNMENTAL AGREEMENT
FOR ANIMAL IMPOUNDMENT SERVICES**
(Village of Foosland – County of Champaign)

THIS AGREEMENT is made and entered by and between the Village of Foosland, an Illinois Municipal Corporation, (hereinafter referred to as “Village”) and the County of Champaign, (hereinafter referred to as “County”).

WHEREAS, Section 10 of Article VII of the Illinois Constitution of 1970 and the Illinois Intergovernmental Cooperation Act, 5 ILCS 220/1 et seq. enables the parties to enter into agreements among themselves and provide authority for intergovernmental cooperation; and

WHEREAS, the County proposes to provide an Animal Service Facility primarily for the impounding of animals for the use of local law enforcement agencies; and

WHEREAS, this Agreement is in the best interests of the Village and the County.

Also, for the purposes of this agreement, veterinary services shall be defined as rabies inoculations, health evaluations, the treatment of minor curable diseases and injuries, and euthanasia. Also, for the purposes of this agreement the term animal(s) shall be defined as dogs, cats, rabbits, small rodents, ferrets, and small reptiles. The term animal(s) does not include livestock, exotic animals, or any animal considered to be a “dangerous animal” under the Illinois Dangerous Animals Act, 720 ILCS 585/0.1 et seq., or any other federal or state law or regulation.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the parties agree as follows:

1. **County to Provide Facilities and Services.** The County shall maintain and operate an animal services facility for the impoundment of animals that are seized by the Village pursuant to Village Ordinances. The County shall provide all services necessary for the impoundment, care, transfer, and euthanasia of all animals delivered by the Village or citizens residing within the Village limits of Foosland. The County will be solely responsible for the hiring and payment of

facility personnel and veterinary services provided by the County Veterinarian at the Animal Services Facility. If outside vet care is needed the County shall inform the City and a joint decision for care will be made. The County is required to provide the services and other obligations in this agreement starting on the date its animal services facility opens or the date this agreement becomes effective, whichever date is later.

2. **Compliance with Laws; Inspections.** The County shall operate the facility in a humane and sanitary manner and in compliance with all applicable state and local laws, ordinances and regulations. The Chief of Police or his designee shall be entitled to inspect and examine the premises and to examine the records kept of impounded animals received from the Village to ensure compliance with this Agreement during normal business hours. Nothing contained herein shall make the Village responsible for the manner of operation or maintenance of the facilities.
3. **Hours of Operation; Access.** The facility shall be open to the public no less than 8 hours per day, Monday through Friday, excluding County holidays. The County shall set the exact hours of service. Village personnel shall have access to the facilities for the purpose of delivering impounded animals at all times. The County shall provide necessary keys, access cards and/or codes to the Village for such purposes. The Village shall be responsible for securing animals delivered and securing the facilities upon departure in the event no County staff is available.
4. **Equipment.** The County shall provide adequate facilities to house the animals delivered to it in a safe and sanitary manner. The County shall endeavor to maintain a minimum of one run or cage for the proper housing and exercise of animals. The County shall maintain separate cages for animals of different species. The County shall have sufficient space to house the normal and customary number of animals that the Village generally needs held for animal control purposes. The Village must give advance notice to the County's Animal Control Director of any extraordinary event that would result in an impoundment of more than three animals, such as the arrest of an animal hoarder. The County will attempt to provide housing in such an extraordinary event but is

unable to guarantee that housing will be provided to all animals in such a circumstance. If the County is unable to provide housing in such an extraordinary event, then the Village must find housing for any animals for which the County is unable to provide housing at the Village's expense. The County will notify the Village as soon as possible in the event it does not have the capacity to house and maintain animals pursuant to this Agreement.

5. **Notice of Delivery and Special Directions.** The Village shall notify the County as soon as practical of its intent to deliver animals to the facility for impound. The Village shall provide information concerning the nature of the impoundment and indicate any special directions it believes may be necessary for the proper handling, care and treatment of the animals. The County shall keep animals impounded for bite quarantine or that are infected with a contagious disease in isolation from all other animals as required by law or in the exercise of sound veterinary practices.

6. **Hold Orders; Orders of Destruction.** In the event a hold order is issued by the Village or a court of competent jurisdiction, the County shall hold the animal and shall not make it available for redemption, adoption or euthanasia without written consent of the Village or Court issuing the hold order. Boarding fees for animals held by the City past the 5, 7 or 10 redemption period as described in the Section 8 of this agreement, shall be paid by the City for each animal held by the Village, for each day or part of a day of impoundment. The daily boarding fee shall be the County boarding fee of \$15.00 per day or any part of a day. The County shall invoice the City on the first of each month, to be paid by the 30th of each month until said animals have been release by a court of law or the city's Legal Department. In the event an Order of Destruction is issued, the County shall humanely euthanize the subject animal(s) pursuant to the Order.

7. **Transfer of Ownership.** Animals delivered to the facility shall become the property of the County after one of the following events occurs: after the expiration of any applicable

redemption period; upon execution of an owner-relinquishment form of the animal's owner(s); after issuance of an order or other release authorizing the County to take ownership of the animal. The County is thereafter authorized to sell, adopt out, convey, euthanize or otherwise dispose of the animal in whatever manner it deems appropriate. The County accepts sole responsibility for its discretionary decision.

8. **Fees.** The County is authorized to collect such fees and fines as authorized by the Champaign County Board and is authorized to collect fees and fines as stated in the Village's Code. All fines and fees collected on behalf of the Village shall be remitted monthly, to be received no later than the 15th day of each month.

9. **Payment.** The Village shall pay an annual rate of \$0.88 per capita for animal impoundment services. The annual rate increase to go into effect on the anniversary date of the signing of this Agreement for each subsequent year of the Agreement will be an adjustment to the previous year's rate by the annual Property Tax Extension Limitation Law (hereinafter "PTELL") CPI rate as set by the State of Illinois in January. Should the PTELL CPI rate be under zero the rate increase shall be 0%; should the PTELL CPI rate be over 5% the rate of increase shall be capped at 5%. In January, the Department shall annually issue to the Village the PTELL CPI rate adjustment for the ensuing contract renewal year. The Village shall pay the County through the Department monthly on the 15th day of each month.

10. **Records.** The County shall keep and maintain all required records in compliance with the Ordinances of the Village and the Statutes of the State of Illinois, which shall include but not be limited to complete financial records covering fees, fines and other charges as well as records of the type and number of animals impounded. The County shall

provide a monthly report of the number of animals received and the final dispositions of the animals. The Village shall provide information concerning the status of pending cases upon request.

11. **Computer Records.** The parties shall endeavor to design/evaluate, procure, implement and maintain a computer records management program. Necessary data shall include: the number of animals housed and/or received on behalf of the Village of Foosland, boarding dates, date of final disposition, type of disposition and any fees associated therewith. Such pertinent data shall be made part of the basis in determining costs associated with the impoundment services provided by the County.

12. **Indemnification.** The Village and the County agree to hold the other party harmless and indemnify the other for any loss, liability or damages arising from any action, omission, or negligence of each party's employees, officers, or agents regarding the performance of this Agreement.
