County Board Members  
Champaign County  
1776 E. Washington St.  
Urbana, IL 60182

Dear Members of the Board:

Thank you for using Baker Tilly Virchow Krause, LLP ("Baker Tilly" or "we" or "our") as your auditors.

The purpose of this letter (the "Engagement Letter") is to confirm our understanding of the terms and objectives of our engagement and the nature of the services we will provide as independent accountants of Champaign County ("you" or "your").

#### **Services and Related Report**

We will audit the basic financial statements of Champaign County as of and for the years ended December 31, 2016 through 2020, and the related notes to the financial statements. Upon completion of our audit, we will provide Champaign County with our audit report on the financial statements and supplemental information referred to below. If, for justifiable reasons caused by or relating to the affairs or management of Champaign County, we are unable to complete the audit or are unable to or have not formed an opinion, or if we determine in our professional judgment the circumstances necessitate, we may withdraw and decline to issue a report as a result of this engagement and we agree to notify Champaign County of our withdrawal on or before November 30<sup>th</sup> of the year preceding the audit. Should Baker provide such notice of withdrawal, it shall be entitled to compensation, on a pro rata basis based upon hours worked, for work performed prior to the notice of withdrawal.

In order to perform the professional services outlined in this Engagement Letter, Baker Tilly requires access to information subject to Title II of the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"). Federal law requires Baker Tilly to execute a Business Associate Agreement ("BA Agreement") prior to being granted this information. For your convenience, we have attached our firm standard BA Agreement for your review and signature as Addendum A. Please execute and return a copy with this Engagement Letter, keeping the original BA Agreement on file with your HIPAA compliance records.

The following supplementary information accompanying the financial statements will also be subjected to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America, and our auditor's report will provide an opinion on it in relation to the financial statements as a whole.

Accounting standards generally accepted in the United States of America provide for certain required supplementary information ("RSI"), such as management's discussion and analysis, to supplement Champaign County's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to Champaign County's RSI in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's response to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by generally accepted accounting principles and will be subjected to certain limited procedures, but will not be audited:

Management's Discussion and Analysis  
Budget Comparison Schedules  
OPEB - related schedules  
Pension - related schedules

We will read the following other information accompanying the financial statements to identify any material inconsistencies with the audited financial statements; however, the other information will not be subjected to the auditing procedures applied in our audit of the financial statements and our auditor's report will not provide an opinion or any assurance on that other information:

*Champaign County Geographic Information System Consortium*

We will also audit the basic financial statements of the Champaign County Geographic Information System Consortium as of and for the years ending December 31, 2016 through 2020. Upon completion of our audit, we will provide the Champaign County Geographic Information System Consortium with our audit report on the financial statements referred to above.

*Circuit Clerk*

We will also audit the basic financial statements of the Champaign County Circuit Clerk as of and for the years ending December 31, 2016 through 2020. Upon completion of our audit, we will provide the Champaign County Circuit Clerk with our audit report on the financial statements referred to above.

The Circuit Clerk's audit will:

1. Include an opinion on the internal controls of the circuit clerk, and a letter report on the circuit clerk's compliance with applicable statutes, rules, and procedures relating to the assessment, collection, and distribution of funds. See 705 ILCS 105/27.8(a).
2. Include the professional opinion of a licensed public accountant with respect to financial statements, or, if an opinion cannot be expressed, a declaration that he is unable to express such an opinion and an explanation of the reasons he cannot do so. 50 ILCS 310/5.
3. Include financial information, findings and conclusions supported by the evidence in the auditor's working papers to demonstrate or prove, when called upon, the basis for the matters reported and their correctness and reasonableness. See 55 ILCS 5/6-31003.

### **Our Responsibilities and Limitations**

**Notwithstanding any limitations stated herein, or anything in this Agreement to the contrary,** Baker Tilly will ensure that the audit meets the minimum requirements of OMB Uniform Guidance; the Governmental Account Audit Act (50 ILCS 310/0.01, et seq.); the County Auditing Law (55 ILCS 5/3-13001, et seq.); and regulations applicable to County offices by virtue of the Illinois State Auditing Act (30 ILCS 5/1-1, et seq.; and 74 Ill. Admin. Code 420.320(b)). With respect to the Circuit Clerk, the audit will meet the minimum standards of 705 ILCS 105/27.8, and any regulations promulgated pursuant thereto.

If this audit is to serve as a "Single Audit" under OMB Uniform Guidance, due to County expenditure of Federal funds, the audit is to include testing of internal control over major programs to support a low assessed level of control risk and determine whether the County has complied with laws, regulations, and provisions of contracts or grant agreements that may have a direct and material effect on each of its major programs.

The objective of a financial statement audit is the expression of an opinion on the financial statements. The objective also includes reporting on:

- > Internal control related to the financial statements and compliance with laws, regulations, and the provisions of contracts or grant agreements, noncompliance with which could have a direct and material effect on the financial statements in accordance with *Government Auditing Standards*.

The *Government Auditing Standards* report on internal control over financial reporting and on compliance and other matters will include a paragraph that states (1) that the purpose of the report is solely to describe the scope of testing of internal control and compliance, and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance, and (2) that the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. The Uniform Guidance report on internal control over compliance will include a paragraph that states that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Both reports will state that the report is not suitable for any other purpose.

We will be responsible for performing the audit in accordance with auditing standards generally accepted in the United States of America ("GAAS") and the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and will include tests of accounting records and other procedures we consider necessary to enable us to express such an opinion and to render the required reports.

We will also provide a report (that does not include an opinion) on internal control related to the financial statements and compliance with laws, regulations, and the provisions of grant agreements, noncompliance with which could have a material effect on the financial statements, as required by *Government Auditing Standards*.

These standards require that we plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to Champaign County or to acts by management or employees acting on behalf of Champaign County. Because the determination of abuse is subjective, *Government Auditing Standards* do not expect auditors to provide reasonable assurance of detecting abuse. Our audit will include examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. Our audit does not relieve management and the audit committee or equivalent group charged with governance of their responsibilities.

The audit will include obtaining an understanding of Champaign County and its environment, including internal controls, sufficient to assess the risks of material misstatement of the financial statements and to determine the

nature, timing and extent of further audit procedures. An audit is not designed to provide assurance on internal control or to identify deficiencies in internal control. However, during the audit, we will communicate to management and the audit committee or equivalent group charged with governance internal control matters that are required to be communicated under professional standards. We will also inform you of any other matters involving internal control, if any, as required by *Government Auditing Standards*.

Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

As required by the Uniform Guidance, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control over compliance issued pursuant to the Uniform Guidance.

We will design our audit to obtain reasonable, but not absolute, assurance of detecting errors or fraud that would have a material effect on the financial statements as well as other illegal acts having a direct and material effect on financial statement amounts. An audit is not designed to detect error or fraud that is immaterial to the financial statements. Our audit will not include a detailed audit of transactions, such as would be necessary to disclose errors or fraud that did not cause a material misstatement of the financial statements. It is important to recognize that there are inherent limitations in the auditing process. Audits are based on the concept of selective testing of the data underlying the financial statements, which involves judgment regarding the areas to be tested and the nature, timing, extent and results of the tests to be performed. Our audit is not a guarantee of the accuracy of the financial statements and, therefore, is subject to the limitation that material errors or fraud or other illegal acts having a direct and material financial statement impact or a direct and material effect on major federal programs, if they exist, may not be detected. Because of the characteristics of fraud, particularly those involving concealment through collusion, falsified documentation and management's ability to override controls, an audit designed and executed in accordance with GAAS and *Government Auditing Standards*, may not detect a material fraud. Further, while effective internal control reduces the likelihood that errors, fraud or other illegal acts will occur and remain undetected, it does not eliminate that possibility. For these reasons, we cannot ensure that errors, fraud or other illegal acts or noncompliance, if present, will be detected. However, we will communicate to you, as appropriate, any such matters that we identify during our audit. Also, if required by *Government Auditing Standards*, we will report known or likely fraud, illegal acts, violations of provisions of contracts or grant agreements, or abuse directly to parties outside of Champaign County.

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of Champaign County's compliance with the provisions of applicable laws, regulations, contracts, and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

The Uniform Guidance require that we also plan and perform the audit to obtain reasonable assurance about whether you have complied with applicable laws and regulations and the provisions of contracts and grant agreements applicable to major programs. Our procedures will consist of test of transactions and other applicable procedures described in the OMB Compliance Supplement for the types of compliance requirements that could have a direct and material effect on each of Champaign County's major programs. The purpose of those procedures will be to express an opinion on your compliance with requirements applicable to each of your major programs in our report on compliance issued pursuant to the Uniform Guidance.

We are also responsible for determining that the audit committee or equivalent group charged with governance is informed about certain other matters related to the conduct of the audit, including (i) our responsibility under GAAS, (ii) an overview of the planned scope and timing of the audit, and (iii) significant findings from the audit, which include (a) our views about the qualitative aspects of your significant accounting practices, accounting estimates, and financial statement disclosures; (b) difficulties encountered in performing the audit; (c) uncorrected misstatements and material corrected misstatements that were brought to the attention of management as a result of auditing procedures; and (d) other significant and relevant findings or issues (e.g., any disagreements with management about matters that could be significant to your financial statements or our report thereon, consultations with other independent accountants, issues discussed prior to our retention as independent auditors, fraud and illegal acts, and all significant deficiencies and material weaknesses identified during the audit). Lastly, we are responsible for ensuring that the audit committee or equivalent group charged with governance receives copies of certain written communications between us and management including written communications on accounting, auditing, internal controls or operational matters and representations that we are requesting from management.

The audit will not be planned or conducted in contemplation of reliance of any specific third party or with respect to any specific transaction. Therefore, items of possible interest to a third party will not be specifically addressed and matters may exist that would be addressed differently by a third party, possibly in connection with a specific transaction.

#### **Management's Responsibilities**

Champaign County's management is responsible for the financial statements referred to above. Management is also responsible for identifying government award programs and understanding and complying with the compliance requirements, and for preparation of the schedule of expenditures of federal awards in accordance with the requirements of the Uniform Guidance. In this regard, management is responsible for establishing policies and procedures that pertain to the maintenance of adequate accounting records and effective internal controls, and for evaluating and monitoring ongoing activities; to help ensure that appropriate goals and objectives are met; following laws and regulations; and ensuring that management is reliable and financial information is reliable and properly reported. Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements. Your responsibilities also include identifying significant vendor relationships in which the vendor has responsibility for program compliance and for the accuracy and completeness of that information. You are also responsible for the selection and application of accounting principles, the authorization of receipts and disbursements, the safeguarding of assets, the proper recording of transactions in the accounting records, for reporting financial information in conformity with accounting principles generally accepted in the United States of America ("GAAP"), and for compliance with applicable laws and regulations and the provisions of contracts and grant agreements.

Management is also responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us in the management representation letter (i) about all known or suspected fraud affecting Champaign County involving: (a) management, (b) employees who have significant roles in internal control over financial reporting, and (c) others where the fraud or illegal acts could have a material effect on the financial statements; and (ii) of its knowledge of any allegations of fraud or suspected fraud affecting Champaign County received in communications from employees, former employees, analysts, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the entity complies with applicable laws, regulations, contracts, agreements, and grants and for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, contracts or grant agreements, or abuse that we report. Additionally, as required by the Uniform Guidance, it is management's responsibility to follow up and take corrective action on reported audit findings and to prepare a summary schedule of prior audit findings and a corrective action plan. The summary schedule of prior audit findings should be available for our review before we begin fieldwork.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying for us previous financial audits, attestation engagements, performance audits or other studies related to the objectives discussed above. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits or studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations as well as your planned corrective actions for the report, and for the timing and format for providing that information.

You are responsible for the preparation of the supplementary information in conformity with GAAP. You agree to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon. Your responsibilities include acknowledging to us in the representation letter that (a) you are responsible for presentation of the supplementary information in accordance with GAAP; (b) that you believe the supplementary information, including its form and content, is fairly presented in accordance with GAAP; (c) that the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (d) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

You are responsible for preparation of the schedule of federal awards (including notes and noncash assistance received) in conformity with the Uniform Guidance. You agree to include our report on the schedule of expenditures of federal awards in any document that contains and indicates that we have reported on the schedule of expenditures of federal awards. You also agree to include the audited financial statements with any presentation of the schedule of expenditures of federal awards that includes our report thereon. Your responsibilities include acknowledging to us in a written representation letter that (a) you are responsible for presentation of the schedule of expenditures of federal awards in accordance with the Uniform Guidance; (b) that you believe the schedule of expenditures of federal awards including its form and content, is fairly presented in accordance with the Uniform Guidance; (c) that the methods of measurement or presentation have not changed from those used in the prior year (or, if they have changed, the reasons for such changes); and (d) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the schedule of federal awards.

Management is responsible for (i) adjusting the basic financial statements to correct material misstatements and for affirming to us in a management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period under audit are immaterial, both individually and in the aggregate, to the basic financial statements taken as a whole, and (ii) notifying us of all material weaknesses, including other significant deficiencies, in the design or operation of your internal control over financial reporting that are reasonably likely to adversely affect your ability to record, process, summarize and report external financial data reliably in accordance with GAAP. Management is also responsible for identifying and ensuring that Champaign County complies with the laws and regulations applicable to its activities.

As part of management's responsibility for the financial statements and the effectiveness of its system of internal control over financial reporting, management is responsible for making available to us, on a timely basis, all of your original accounting records and related information and for the completeness and accuracy of that information and your personnel to whom we may direct inquiries. As required by GAAS, we will make specific inquiries of management and others about the representations embodied in the financial statements and the effectiveness of internal control over financial reporting. GAAS also requires that we obtain written representations covering audited schedule of expenditures of federal awards, federal award programs, and compliance with laws, regulations, contracts and grant agreements from certain members of management. The results of our audit tests, the responses to our inquiries, and the written representations, comprise the evidential matter we intend to rely upon in forming our opinion on the financial statements.

#### **Non-Attest Services**

Prior to or as part of our audit engagement, it may be necessary for us to perform certain non-attest services. For purposes of this letter, non-attest services include services that *Government Auditing Standards* refers to as non-audit services.

Non-attest services that we will be providing are as follows:

None of these non-attest services constitute an audit under generally accepted auditing standards including *Government Auditing Standards*.

We will not perform any management functions or make management decisions on your behalf with respect to any non-attest services we provide.

In connection with our performance of any non-attest services, you agree that you will:

- > Continue to make all management decisions and perform all management functions, including approving all journal entries and general ledger classifications when they are submitted to you.
- > Designate an employee with suitable skill, knowledge, and/or experience, preferably within senior management, to oversee the services we perform.

#### **Other Documents**

GAAS requires that we read any annual report that contains our audit report. The purpose of this procedure is to consider whether other information in the annual report, including the manner of its presentation, is materially inconsistent with information appearing in the financial statements. We assume no obligation to perform procedures to corroborate such other information as part of our audit.

If you intend to reproduce or publish the financial statements, and make reference to our firm name in connection therewith, you agree to publish the financial statements in their entirety. In addition, you agree to provide us, for our approval and consent, proofs before printing and final materials before distribution.

With regard to the electronic dissemination of audited financial statements, including financial statements published electronically on your Internet website, you understand that electronic sites are a means to distribute information and, therefore, we are not required to read the information contained in these sites or to consider the consistency of other information in the electronic site with the original document.

At the conclusion of our engagement, we will complete the appropriate sections of the Data Collection Form that summarizes our audit findings. It is management's responsibility to submit the reporting package (including financial statements, schedule of expenditures of federal awards, summary schedule of prior year audit findings, auditors' reports, and corrective action plan) along with the Data Collection Form to the federal audit clearinghouse. We will coordinate with you the electronic submission and certification. If applicable, we will provide copies of our report for you to include within the reporting package you will submit to pass-through entities. The Data Collection Form and the reporting package must be submitted within the earlier of thirty (30) days after receipt of the auditors' reports or nine (9) months after the end of the audit period.

We will provide copies of our reports to Champaign County; however, management is responsible for distribution of the reports and the financial statements. Copies of our reports are to be made available for public inspection unless restricted by law or regulation or if they contain privileged and confidential information.

The "audit report" is defined to be the written report of the accountant or accountants and all appended statements and schedules relation thereto, presenting or recording the findings of an examination or audit of the financial transactions, affairs and condition of a county, 55 ILCS 5/6-31002(4). The audit reports and financial statements are public records and shall be open to public inspection, 55 ILCS 5/6-31009. Audit information in the possession of Champaign County, including, but not limited to, audit documentation, audit reports, and documentation for the engagement, must be available for disclosure as required by law, including, but not limited to, the Freedom of Information Act (FOIA).

The documentation for this engagement, including the workpapers, is the property of Baker Tilly and constitutes confidential information. However, pursuant to authority given by law or regulation, we may be requested to make certain audit documentation available to federal or state agencies for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. Examples of such agencies include the County's federal oversight agency for audit, the U.S. Government Accountability Office, auditors of agencies providing grant funding to the County and other parties designated by the federal or state governments as part of an audit quality review process. By State law, the County has the right to retain inspection of the auditor's working papers. 50 ILCS 310/5; 55 ILCS 5/6-31003. We will make audit documentation available to Champaign County officials as required by law; however, if we believe disclosure undermines the effectiveness and integrity of the audit process, we will notify you. If requested, access to such audit documentation will be provided under the supervision of Baker Tilly personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies. In addition, the firm shall respond to the reasonable inquiries of successor auditors and allow successor auditors to review working papers relating to matters of continuing accounting significance. Successor auditors will be required agree to the provisions of SAS 84.

We may have a responsibility to retain the documentation for a period of time sufficient to satisfy any applicable legal or regulatory requirements for records retention. If we are required by law, regulation or professional standards to make certain documentation available to regulators, Champaign County hereby authorizes us to do so. We will retain all working papers and reports for a minimum of three years.

### **Resolution of Disagreements**

In the unlikely event that differences concerning services or fees should arise that are not resolved by mutual agreement, both parties agree to attempt in good faith to settle the dispute by mediation administered by the American Arbitration Association ("AAA") under its mediation rules for professional accounting and related services disputes before resorting to litigation or any other dispute-resolution procedure. Each party shall bear their own expenses from mediation.

If mediation does not settle the dispute or claim, then the parties agree that the dispute or claim shall be settled by binding arbitration. The arbitration proceeding shall take place in Champaign County, unless the parties mutually agree to a different location. The proceeding shall be governed by the provisions of the Federal Arbitration Act (FAA) and will proceed in accordance with the then current Arbitration Rules for Professional Accounting and Related Disputes of the AAA, except that no pre-hearing discovery shall be permitted unless specifically authorized by the arbitrator.

The arbitrator will be selected from AAA, Judicial Arbitration & Mediation Services (JAMS), the Center for Public Resources or any other internationally or nationally-recognized organization mutually agreed upon by the parties. Potential arbitrator names will be exchanged within fifteen (15) days of the parties' agreement to settle the dispute or claim by binding arbitration, and arbitration will thereafter proceed expeditiously. The arbitration will be conducted before a single arbitrator, experienced in accounting and auditing matters. The arbitrator shall have no authority to award non-monetary or equitable relief and will not have the right to award punitive damages. The award of the arbitration shall be in writing and shall be accompanied by a well-reasoned opinion. The award issued by the arbitrator may be confirmed in a judgment by any federal or state court of competent jurisdiction. Each party shall be responsible for their own costs associated with the arbitration, except that the costs of the arbitrator shall be equally divided by the parties. The arbitration proceeding and all information disclosed during the arbitration shall be maintained as confidential, except as may be required by law or for disclosure to professional or regulatory bodies or in a related confidential arbitration. In no event shall a demand for arbitration be made after the date when institution of legal or equitable proceedings based on such claim would be barred under the applicable statute of limitations.

Our services shall be evaluated solely on our substantial conformance with the terms expressly set forth herein, including all applicable professional standards.

### **Limitation on Damages and Indemnification**

As Baker Tilly is performing the services solely for your benefit, you will indemnify Baker Tilly, its subsidiaries and their present or former partners, principals, employees, officers and agents against all costs, fees, expenses, damages and liabilities (including attorneys' fees and all defense costs) associated with any third-party claim, relating to or arising as a result of the services, or this Engagement Letter.

Because of the importance of the information that you provide to Baker Tilly with respect to Baker Tilly's ability to perform the services, you hereby release Baker Tilly and its present and former partners, principals, agents and employees from any liability, damages, fees, expenses and costs, including attorney's fees, relating to the services, that are directly and proximately caused by information, including representations by management, provided by you, Champaign County personnel or agents, that is not complete, accurate or current.

Each party recognizes and agrees that the warranty disclaimers and liability and remedy limitations in this Engagement Letter are material bargained for bases of this Engagement Letter and that they have been taken into account and reflected in determining the consideration to be given by each party under this Engagement Letter and in the decision by each party to enter into this Engagement Letter.

The terms of this section shall apply regardless of the nature of any claim asserted (including, but not limited to, contract, tort or any form of negligence, whether of you, Baker Tilly or others), but these terms shall not apply to the extent finally determined to be contrary to the applicable law or regulation. These terms shall also continue to apply after any termination of this Engagement Letter.

**You accept and acknowledge that any legal proceedings arising from or in conjunction with the services provided under this Engagement Letter must be commenced within thirty-six (36) months after the performance of the services for which the action is brought, without consideration as to the time of discovery of any claim.**

**Timing and Fees**

You agree to authorize CliftonLarsonAllen LLP to allow a review of their audit documentation and respond to additional inquiries we consider relevant to our planning and performing of this engagement. Any fees charged by CliftonLarsonAllen LLP in connection with the preceding paragraphs are your responsibility.

Completion of our work is subject to, among other things, (i) appropriate cooperation from Champaign County's personnel, including timely preparation of necessary schedules, (ii) timely responses to our inquiries, and (iii) timely communication of all significant accounting and financial reporting matters. When and if for any reason Champaign County is unable to provide such schedules, information, and assistance, Baker Tilly and you will mutually revise the fee to reflect additional services, if any, required of us to complete the audit. Delays in the issuance of our audit report beyond the date that was originally contemplated may require us to perform additional auditing procedures which will likely result in additional fees.

Revisions to the scope of our work will be set forth in the form of an "Amendment to Existing Engagement Letter." In addition, if we discover compliance issues that require us to perform additional procedures and/or provide assistance with these matters, fees at our standard hourly rates, as reflected in our audit proposal for RFP 2016-001, apply.

The allocation of fees for the audit segments will be evaluated as the audit progresses and adjusted in accordance with the actual time necessary by segment.

Invoices for these fees will be rendered each month as work progresses and are payable on presentation. Late payment penalties will be imposed in accordance with the Local Government Prompt Payment Act (50 ILCS 505/1, et seq.). In accordance with our firm policies, work may be suspended if your account becomes thirty (30) days or more overdue and will not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notice of

termination, even if we have not completed our report. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket expenditures through the date of termination.

This contract is approved and funded contingent upon annual appropriations being established by the local governing body of Champaign County to provide funding necessary to meet the requirements of the contract. Such funding is approved on a fiscal year basis with the fiscal year commencing January 1st and terminating December 31st of each year. In order for the contract to remain in effect, such appropriation must be approved on an annual basis throughout the term of the contract scheme. In addition, the County may terminate this agreement with or without cause, by providing written notice by December 31<sup>st</sup> of each year. In the event that an annual appropriation is not approved, or the contract is so terminated, the County shall not be held responsible for any liabilities beyond the remaining annual term prior to the new budget year.

Additionally, we may from time to time, and depending on the circumstances, use service providers (e.g., to act as a specialist or audit an element of the financial statements) in serving your account. We may share confidential information about you with these service providers after entering into confidentiality agreements with such third party service providers. We are committed to maintaining the confidentiality and security of your information.

Any additional services that may be requested and we agree to provide will be the subject of a separate engagement letter.

We may be required to disclose confidential information to federal, state and international regulatory bodies or a court in criminal or other civil litigation. In the event that we receive a request from a third party (including a subpoena, summons or discovery demand in litigation) calling for the production of information, we will promptly notify Champaign County, unless otherwise prohibited. In the event we are requested by Champaign County or required by government regulation, subpoena or other legal process to produce our engagement working papers or our personnel as witnesses with respect to services rendered to Champaign County, so long as we are not a party to the proceeding in which the information is sought, we may seek reimbursement for our professional time and expenses, as well as the fees and legal expenses, incurred in responding to such a request.

Our fees are based on known circumstances at the time of this Engagement Letter, and as reflected in our audit proposal for RFP 2016-001. , Should there be significant changes in the hours or personnel required, prompted by the County or unforeseen external sources, we will discuss with you these circumstances and negotiate an increase in hours or personnel rates, respectively. This can result from changes at Champaign County, such as the turnover of key accounting staff, the addition of new funds or significant federal or state programs or changes that affect the amount of audit effort from external sources, such as unforeseen new accounting and auditing standards that become effective that increase the scope of our audit procedures. This Engagement Letter currently includes all auditing standards through Statement on Auditing Standards ("SAS") No. 129 – *Letters for Underwriters and Certain Other Requesting Parties*, all accounting standards through Governmental Accounting Standards Board ("GASB") No. 71, – *Pension Transition for Contributions Made Subsequent to the Measurement Date - an amendment of GASB Statement No. 68*, and the current federal single audit guidance.

We would expect to continue to perform our services under the arrangements discussed above from year to year, unless for some reason you or we find that some change is necessary. We will, of course be happy to provide Champaign County with any other services you may find necessary or desirable.

(5) Take all commercially reasonable steps to mitigate, to the extent practicable, any harmful effect that is known to Business Associate resulting from any unauthorized access, use, disclosure, modification or destruction of PHI;

(6) Permit termination of this BA Agreement if the Covered Entity determines that Business Associate has violated a material term of this BA Agreement with respect to Business Associate's security obligations and Business Associate is unable to cure the violation; and

(7) Upon Covered Entity's request, provide Covered Entity with access to and copies of documentation regarding Business Associate's safeguards for PHI and Electronic PHI.

(ii) Notice of Breach. Business Associate will notify Covered Entity following discovery and without unreasonable delay but in no event later than 30 calendar days following discovery, any Breach of Unsecured Protected Health Information, whether such Breach is by Business Associate or by Business Associate Subcontractor.

Part 164) is presumed to be a Breach. As such, Business Associate shall (i) notify Covered Entity of any non-permitted acquisition, access, use or disclosure of PHI and (ii) assist Covered Entity in performing (or at Covered Entity's direction, perform) a risk assessment to determine if there is a low probability that the PHI has been compromised.

(2) Business Associate shall cooperate with Covered Entity in meeting the Covered Entity's obligations under the HIPAA Requirements and any other security breach notification laws. Business Associate shall follow its notification to the Covered Entity with a report that meets the requirements outlined immediately below.

**(iii) Reporting Obligations.**

(1) For Successful Security Incidents and Breaches, Business Associate – without unreasonable delay and in no event later than 30 calendar days after Business Associate learns of such non-permitted use or disclosure (whether at Business Associate or at Business Associate Subcontractor) – shall provide Covered Entity a report that will:

- f. Provide such other information, including a written report, as the Covered Entity may reasonably request.

(2) For Unsuccessful Security Incidents, Business Associate shall provide Covered Entity, upon its written request, a report that:

- a. identifies the categories of Unsuccessful Security Incidents as described in Section 4(c)(iii)(4),
- b. indicates whether Business Associate believes its (or its Business Associate Subcontractor's) current defensive security measures are adequate to address all Unsuccessful Security Incidents, given the scope and nature of such attempts and
- c. if the security measures are not adequate, the measures Business Associate (or Business Associate Subcontractor) will implement to address the security inadequacies.

**(iv) Termination.**

(1) Covered Entity and Business Associate each will have the right to terminate this BA Agreement if the other Party has engaged in a pattern of activity or practice that constitutes a material breach or violation of Business Associate's or the Covered Entity's respective obligations regarding PHI under this BA Agreement and, on notice of such material breach or violation from the Covered Entity or Business Associate, fails to take reasonable steps to cure the material breach or end the violation.

(2) If Business Associate or Covered Entity fail to cure the material breach or end the violation after the other Party's notice, Covered Entity or Business Associate (as applicable) may terminate this BA Agreement by providing Business Associate or Covered Entity written notice of termination, stating the uncured material breach or violation that provides the basis for the termination and specifying the effective date of the termination. Such termination shall be effective 60 days from this termination notice.
