NAME OF APPOINTMENT BODY OR BOARD: County Board of Health

TITLE OF APPOINTMENT REQUESTED: Board Member

BEGINNING DATE OF TERM REQUEST: To fill unexpired term ENDING DATE: June 30, 2007

Champaign County appreciates your interest in serving your community. A clear understanding of your background and philosophies will assist the County Board in establishing your qualifications. Please complete the following questions by typing or legibly printing your response. IN ORDER TO BE CONSIDERED FOR APPOINTMENT, OR REAPPOINTMENT, CANDIDATE MUST COMPLETE AND SIGN THIS APPLICATION.

The Champaign County Board

1. What experience and background do you have which you believe qualifies you for this appointment/reappointment?

I live in unincorporated Champaign county. I am Professor Emeritus in clinical/ community psychology at UIUC. I have wide experience in mental health generally, and particular expertise in community mental health and public health. I have served on the Board of Champaign County Health Care Consumers (when Nancy Greenwald was exec. dir). I have served on the evaluation committee for the Board of Cokesbury Children's Home and on the Congregational Council (Board) for my church, as well as for the Self Help Center.

2. What do you believe is the role of a trustee/commissioner/board member and how do you envision carrying out the responsibilities of that role?

I believe in good (responsible, accountable) government. As a Board member I would seek to work cooperatively with others to serve the County as well as possible given the resources available. This may involve public education as well as working with public health professionals to assure efficiency and reach of services to people in need.

- 3. What is your knowledge of the district/association's operations, specifically property holdings and management, staff, taxes, fees?

I know the County Health Dept. is primarily funded through a public health property TAX levied on non-Champaign-Urbana residents. I believe there is also funding from the County General Fund, as well as state grants. The Health Dept. budget is approved by the County Board. I think the Board of Health is required by law to provide core services: infectious disease, food sanitation, potable water supply and private sewage disposal, as well as to complete a community health planning proc

- 4. Can you think of any relationship or other reason that might possibly constitute a conflict of interest if you are selected to serve on the board or commission for which you are applying? (This question is not meant to disqualify you; it is only intended to provide information.)

Yes ___ No X

If yes, please explain:

- 5. Would you be available to regularly attend the scheduled meeting of the Board district?

Yes X No ___

If no, please explain:

The facts set forth in my application for appointment are true and complete. I understand this application is a document of public record that will be on file in the County Board Office.
