

CHAMPAIGN COUNTY SHERIFF'S OFFICE

ANNUAL REPORT 2025

PRESENTED BY :
Sheriff Dustin Heuerman

The Champaign County Sheriff's Office aims to provide the most accurate information possible in this report. We are continually improving our processes to reach that goal. Only within recent years have we had the ability to collect and analyze data and statistics in a meaningful way, so we are still fine-tuning our processes to ensure the most accurate data possible. If we find numbers published in a previous year's report differ from numbers generated when organizing the current year's report, the data for that previous year may be modified in the current report using the same methodology for more accurate comparison by the reader.

LETTER FROM THE SHERIFF

I would like to take a moment and thank you, our county residents, for a successful 2025! Your continued support for the Sheriff's Office means a great deal to me and my staff. I'm proud of the commitment of our Sheriff's Office employees to serve Champaign County residents and visitors equally, without bias or discrimination, regardless of immigration status, sexual orientation, race, ethnicity, gender identity, age, disability, or socioeconomic status. We remain committed to collaborating with our community stakeholders - working together to overcome our community challenges and address public safety concerns throughout the county - from the more rural areas to the more populated areas of the county.

2025 brought many accomplishments for the Sheriff's Office. We moved into a new facility that has helped make our operations more effective and efficient by incorporating the Emergency Management Agency (EMA) into the same space as the Sheriff's Office and by enhancing the technology our staff uses every day. Thanks to a grant from the Illinois Training and Standards Board, we were able to invest money into training, employee recognition, and supervisor leadership training that would have otherwise been impossible due to budgetary constraints. This, in turn, helps us to meet your expectations for a law enforcement organization and shows our continued investment in providing you with a professional and ethical team of public servants prepared to overcome the challenges presented to us.

In 2025, our calls for service were up from 2024 and the complexity of those calls continues to increase. Deputies remained proactive in getting illegally possessed firearms and contraband off the streets all while increasing our community engagement. As 2025 progressed, we also saw a continued decrease in our jail population compared to the last few years. 2025 had more traffic stops conducted by deputies and fewer motor vehicle crashes than 2024.

In 2026, we will continue making significant progress on officer wellness initiatives for our employees and we will continue to invest in technology to help make employees safer in their roles and enhance their ability to serve you more effectively and efficiently. We will also continue to explore best practices in alternative response models, for example, response to persons in a mental health crisis. We will continue to explore alternative sources of funding for innovative projects that help advance the Sheriff's Office and enhance public safety in our County.

Again, thank you for your support of the Sheriff's Office. Many times, being a correctional officer, deputy, or court security officer is a thankless job, and one that is always up for criticism and scrutiny. Your support helps reinforce that you appreciate our public servants, and while you probably hope you'll never need one during a time of crisis, you are reassured that they will be highly ethical and professional in the case you ever do encounter one.

Sincerely,

A handwritten signature in black ink that reads "Dustin D. Heuerman". The signature is written in a cursive style.

Dustin D. Heuerman,
Champaign County Sheriff

MISSION AND OBJECTIVES

Mission

It is the mission of the Champaign County Sheriff's Office to provide a high level of professional and ethical service to all people living in and visiting Champaign County without bias or discrimination; to uphold the Constitutions of the United States and the State of Illinois; to exceed state, federal and industry standards; and to collaborate with community stakeholders to accomplish community initiatives and combat community-identified problems.

Law Enforcement Division Objectives

- To serve all residents and visitors of Champaign County equally without bias or discrimination.
- To be as transparent as possible to the communities we serve.
- To use technology and data to provide the most efficient, effective, and professional service possible.
- To collaborate with other local departments and community organizations to meet common goals.
- To hire and retain professional, ethical, and diverse employees.

Corrections Division Objectives

- Provide a safe & secure environment adequate for meeting inmate needs within the correctional center without bias or discrimination.
- Use technology to more efficiently and accurately process and evaluate inmates upon intake.
- Collaborate with relevant stakeholders in pursuit of alternatives to incarceration for nonviolent offenders.
- Partner with community organizations to develop programs to help reduce recidivism upon release.
- To hire and retain professional, ethical, and diverse employees.

Karee Voges
Captain – Corrections
Jail Superintendent

Ryan Snyder
Administrative Lieutenant

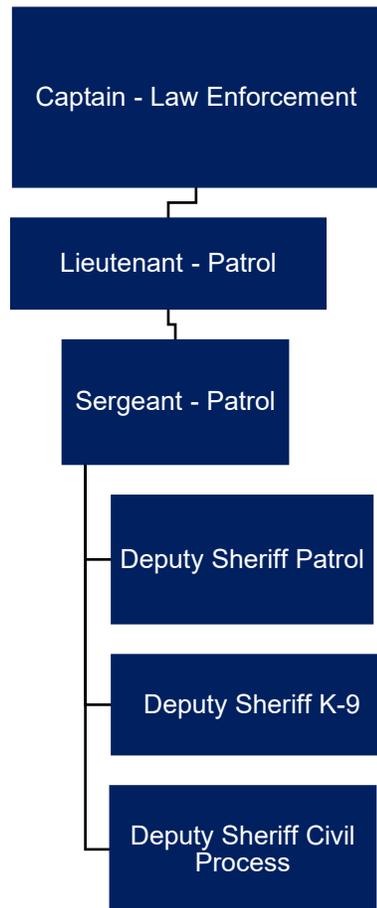

Jenna Good
Classification Lieutenant

Josh Sapp
Operations Lieutenant

PATROL DIVISION

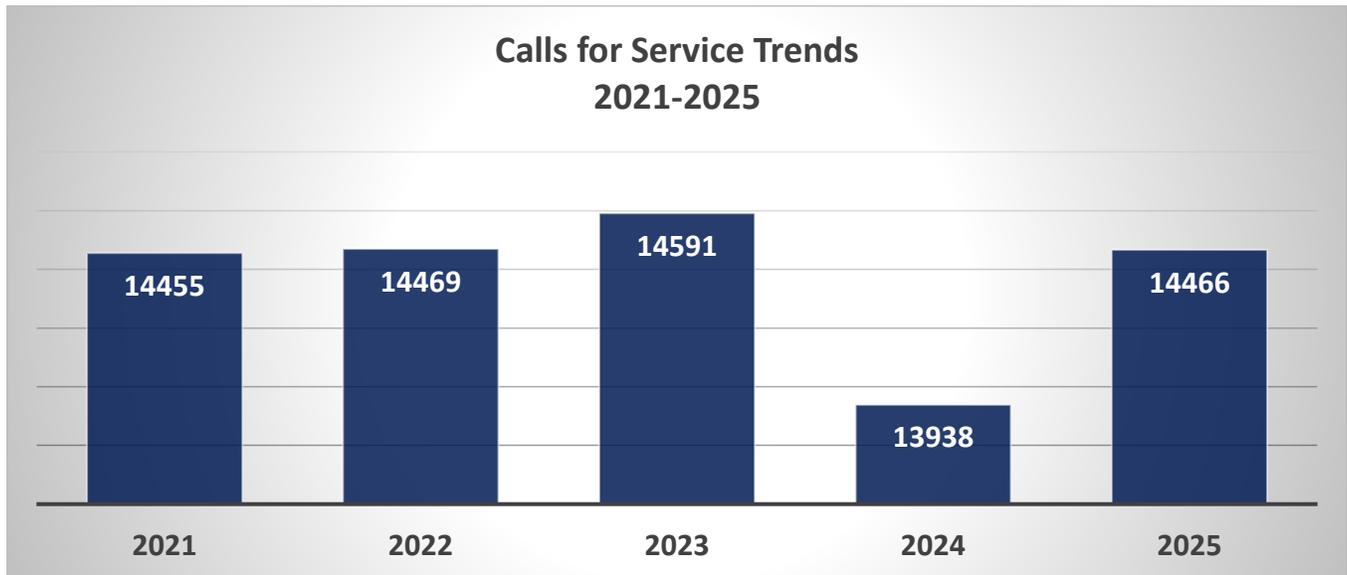

Under the leadership of Lt. Seth Herrig, the Patrol Division is responsible for providing law enforcement services to Champaign County. We serve as the primary law enforcement agency for approximately 50,000 residents in unincorporated areas of the county. We also contract with several villages in Champaign County for patrol services.

As deputy sheriffs have jurisdiction county-wide, we also provide assistance to other police departments in the county when requested. The Patrol Division is made up of four teams that work 12 hours each. There are 8 shift Sergeants (2 Sergeants on each shift) and 34 patrol deputies. Deputies respond to emergency and nonemergency calls for service in their assigned beats, conduct proactive activities like foot patrol and traffic stops, and are frequently engaged in community-based activities and events. The Patrol Division is also responsible for civil process service and K-9 deputies.

Patrol Statistics – Calls for Service

The Sheriff's Office saw an increase in calls for service in 2025.

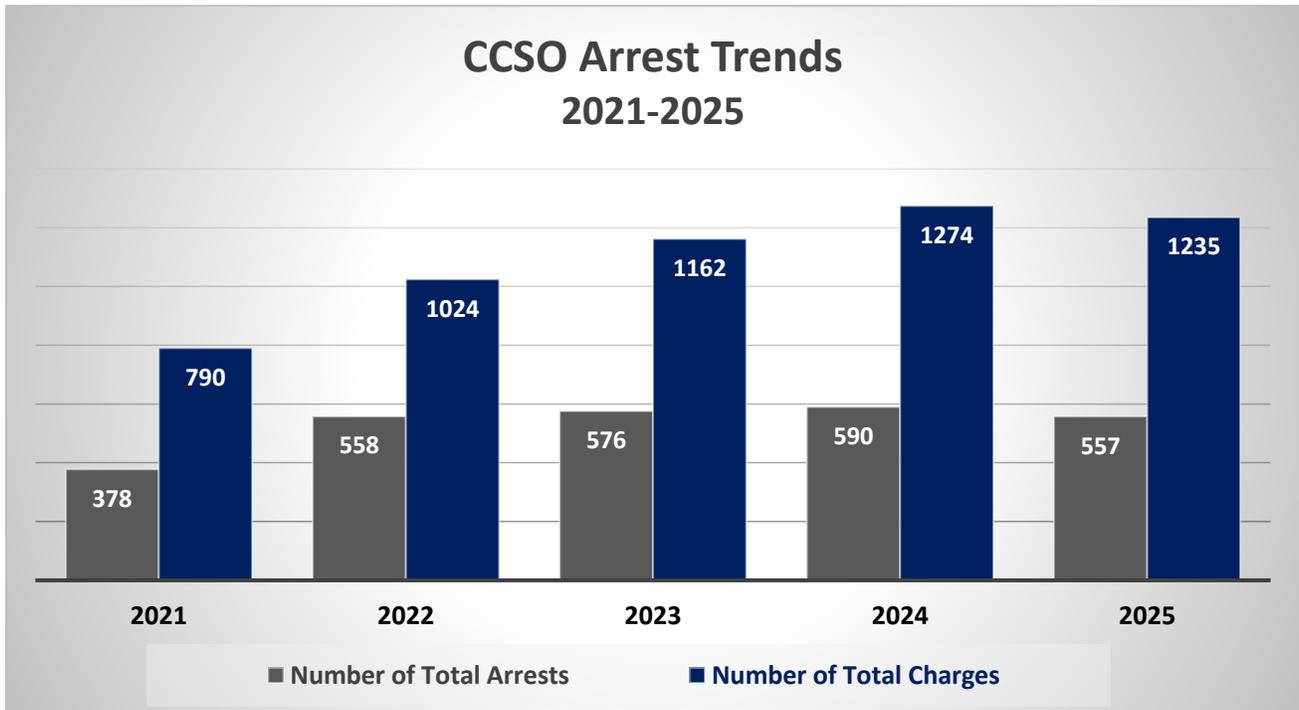

** These statistics do not include civil process service or traffic stops. Those statistics are illustrated in separate sections of this report.*

Of the 14,446 calls for service, the following reasons topped the list:

- Meet Complainant (various reasons) (9%)
- Report of Domestic Altercation (verbal or physical) (5%)
- Residential/Business Alarm (6%)
- Check Welfare (5%)

Patrol Statistics – Arrest Trends

**This is the number of physical arrests throughout the year. Individuals may have been charged with multiple offenses.*

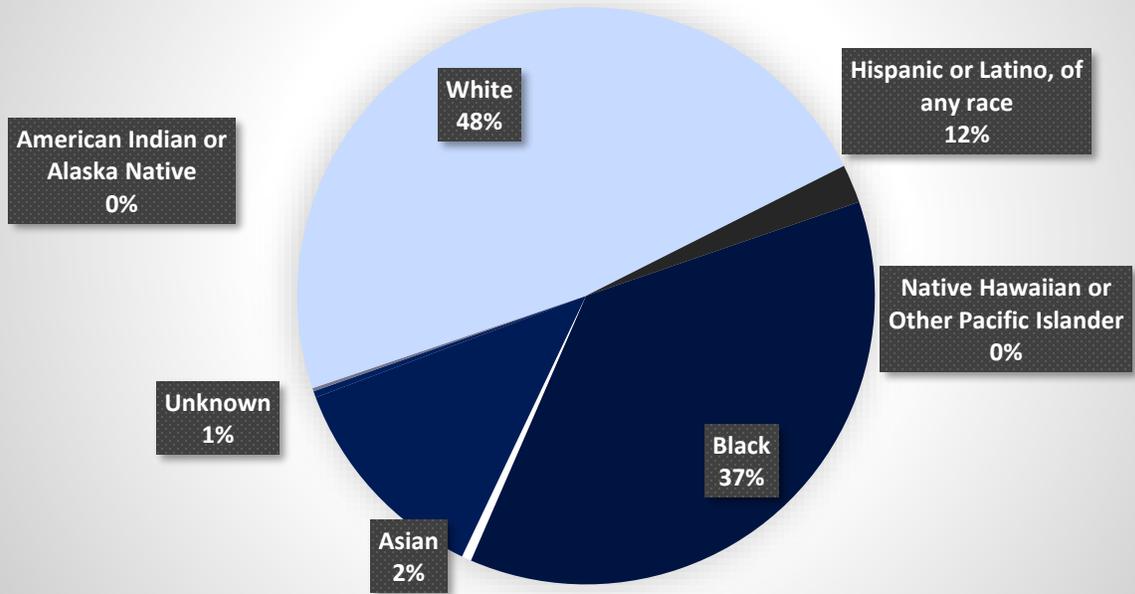

There were 1,235 charges resulting from 557 arrests. The following charges topped the list:

- Warrant Arrest (15%)
- Domestic Battery (9%)
- Driving Under the Influence of Alcohol (8%)

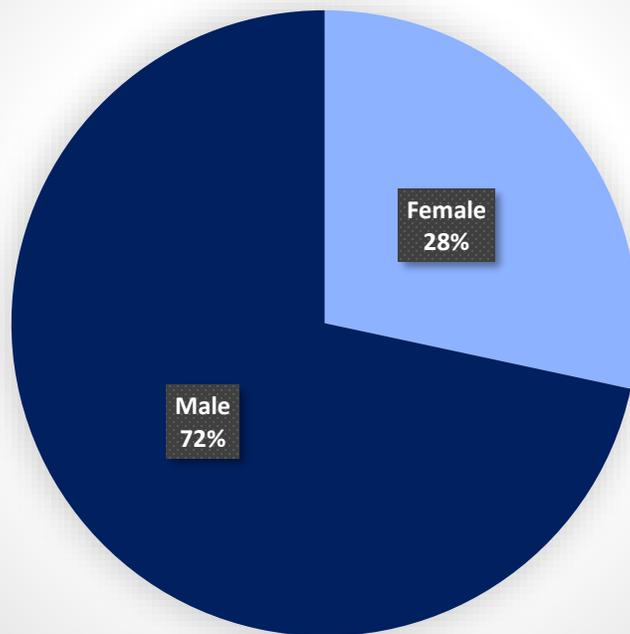

(NOTE: Many arrestees are charged with multiple offenses, so these might not be the sole reason for arrest.)

CCSO Arrests by Race/Ethnicity - 2025 (with known Hispanic ethnicity broken out)

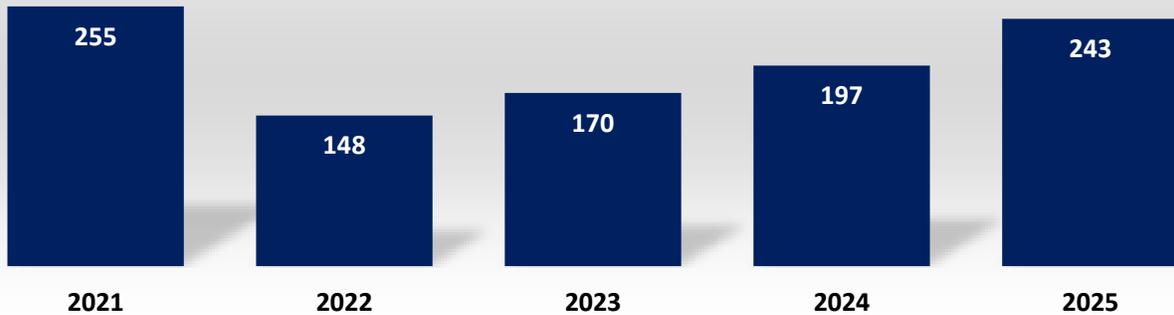

CCSO Arrests by Gender - 2025

Patrol Statistics – Notices to Appear (Non-Traffic)

Non-Traffic Notice to Appear (NTA) Trends 2021-2025

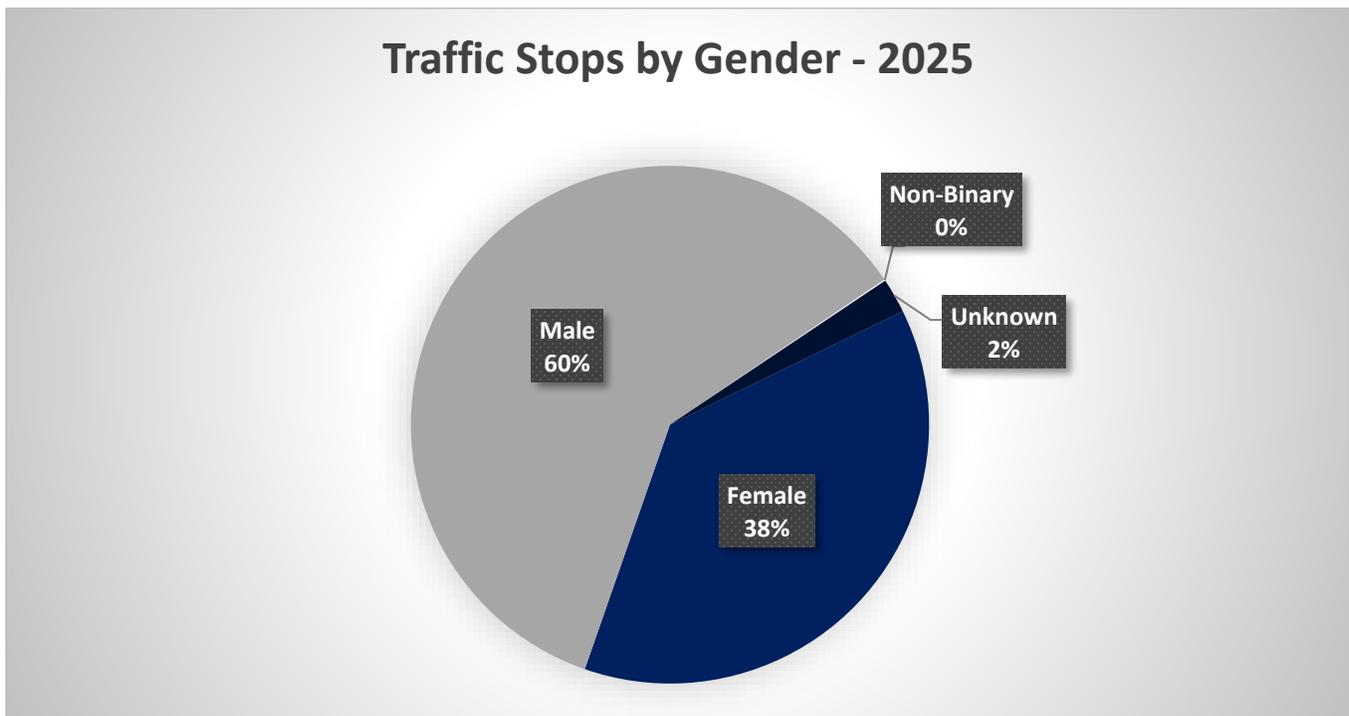

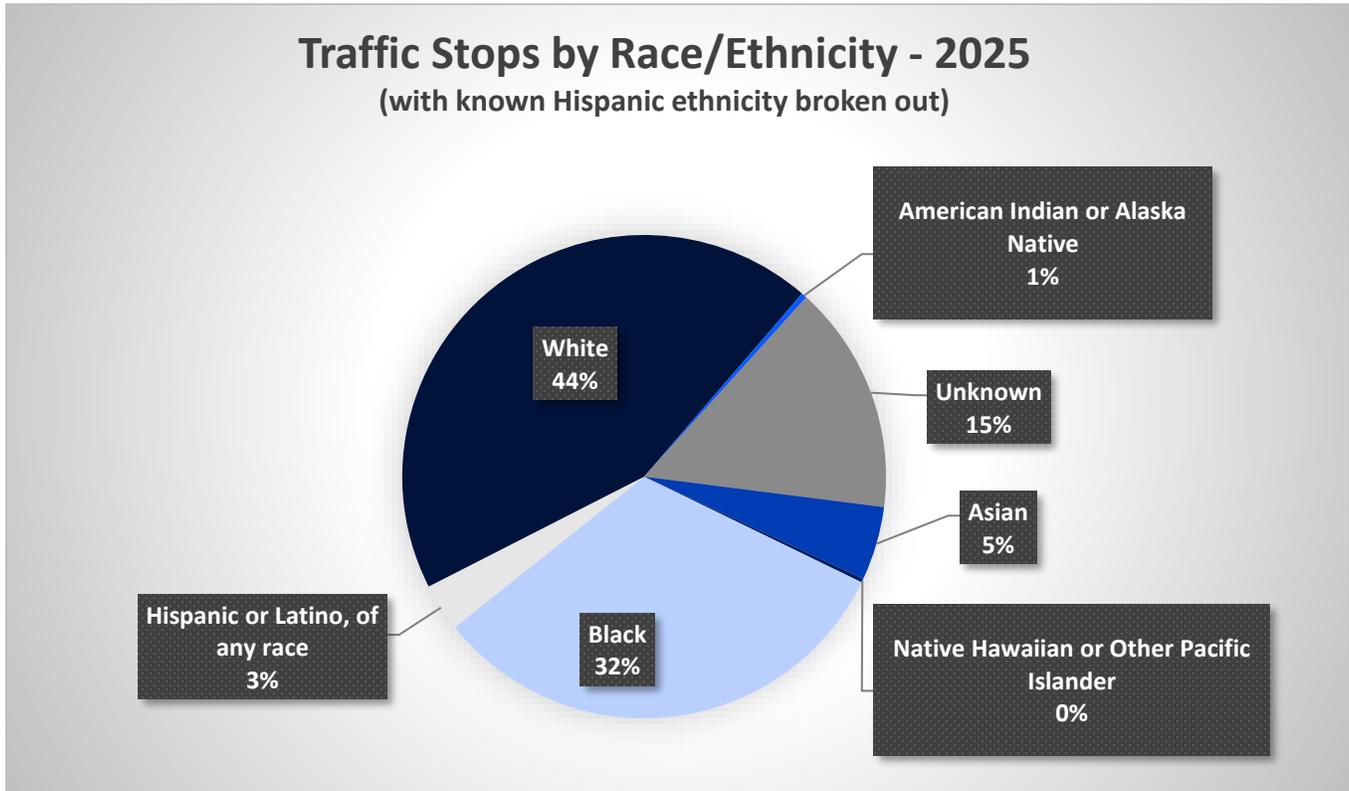

CCSO Deputies also issued 243 Notices to Appear in lieu of making a physical arrest. Of these, the following charges topped the list:

- In-State Warrant (22%)
- Illegal Consumption of Liquor by Person Under 21 Years of Age (9%)
- Possession of Controlled Substance (5%)
- Domestic Battery (5%)
- Possession of Drug Paraphernalia (4%)
- Retail Theft (4%)

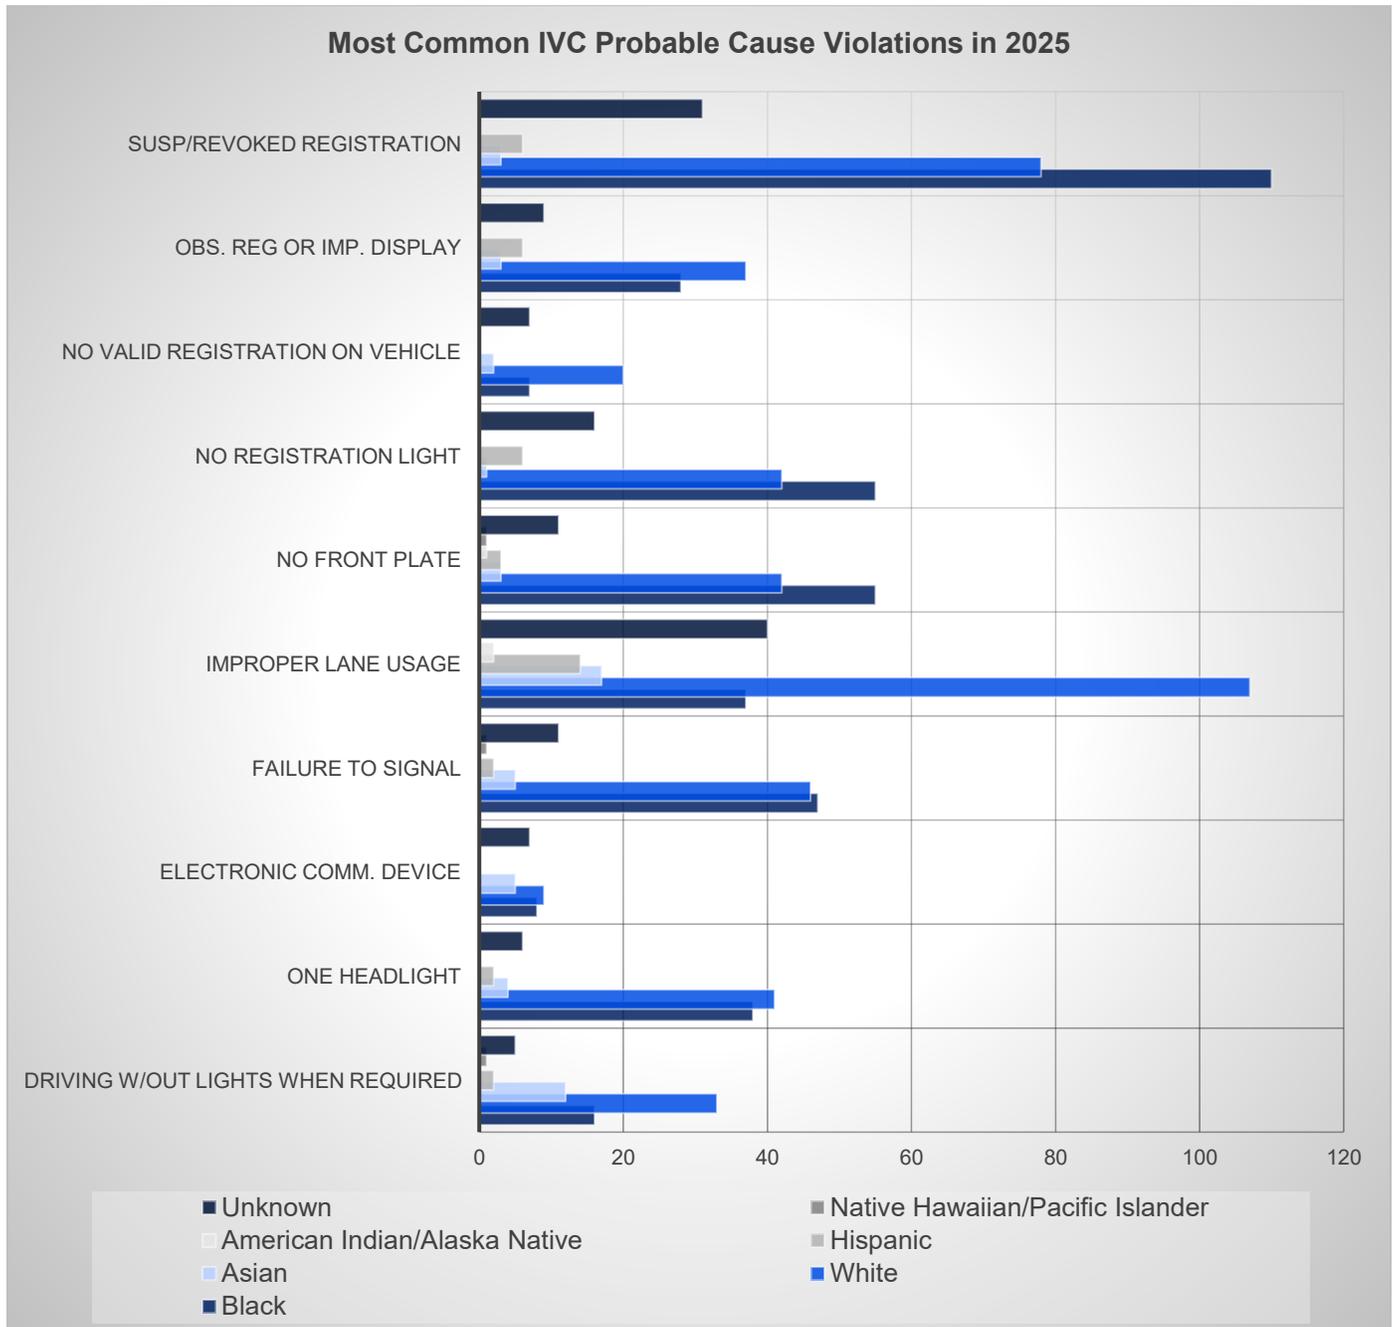

Patrol Statistics – Traffic Stops

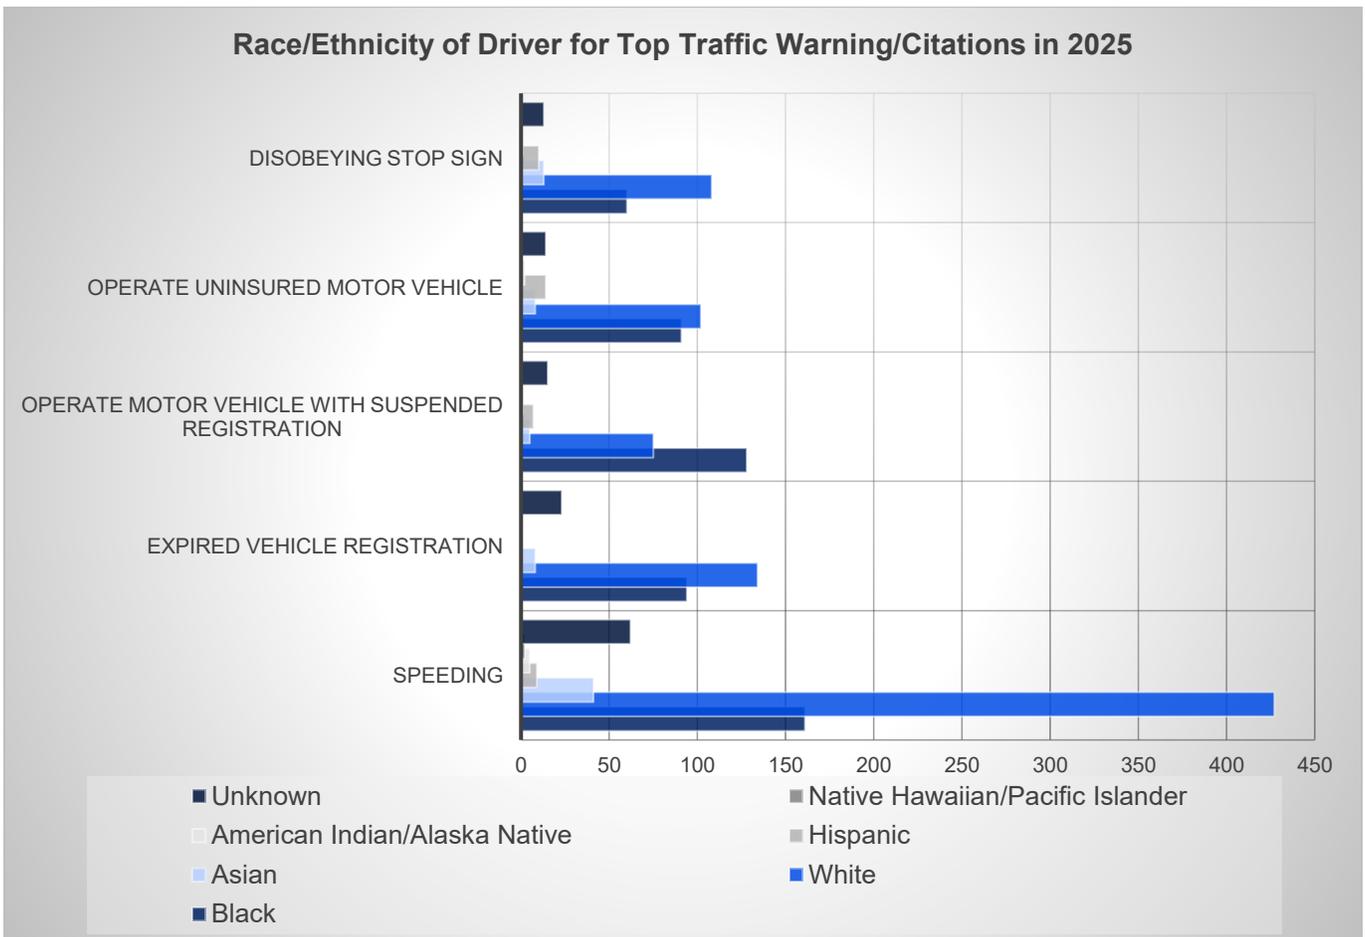

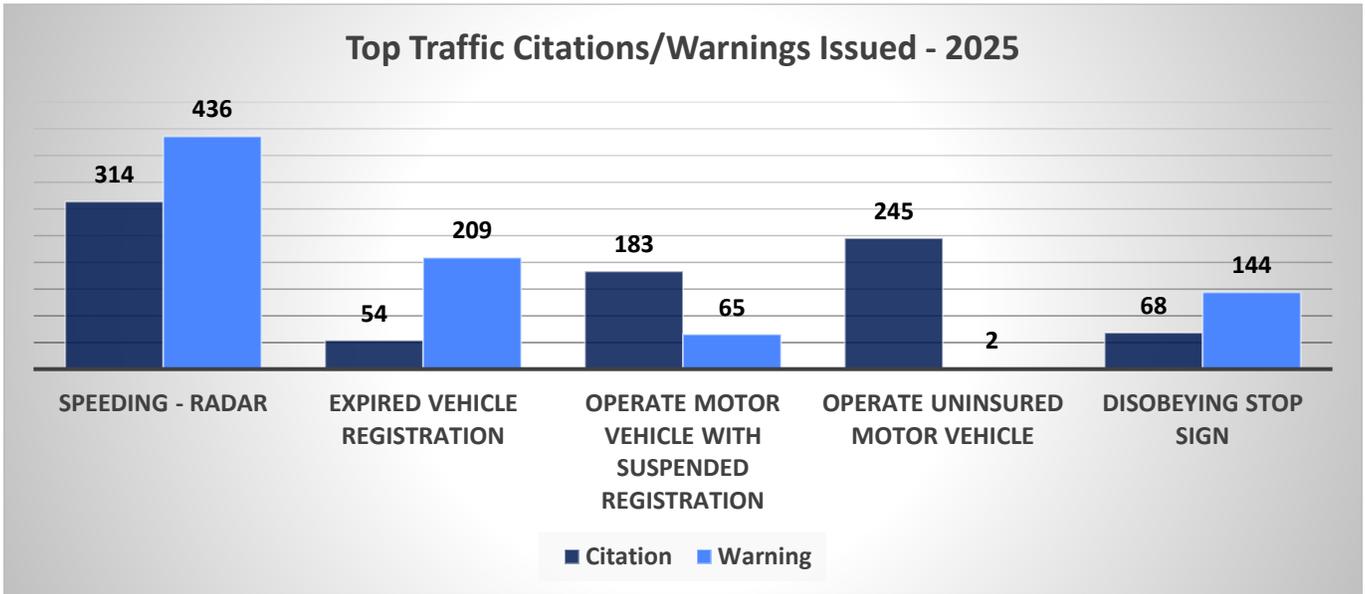

Sheriff's deputies conducted 3,773 traffic stops that resulted in 2,176 traffic citations and 2,251 traffic warnings in 2025.

There are a variety of reasons a vehicle might be stopped by a deputy. The decision to stop a vehicle is based on an Illinois Vehicle Code (IVC) violation observed by the deputy. The below information illustrates the most common probable cause IVC violations for which either a citation or warning was written in 2025. The violations illustrated below may or may not have been the reason for the initial vehicle stop. Not represented here are violations that may have been discovered as a result of the traffic stop (such as DUI or no valid insurance) and would not have been considered by the deputy in the initial decision to stop a vehicle.

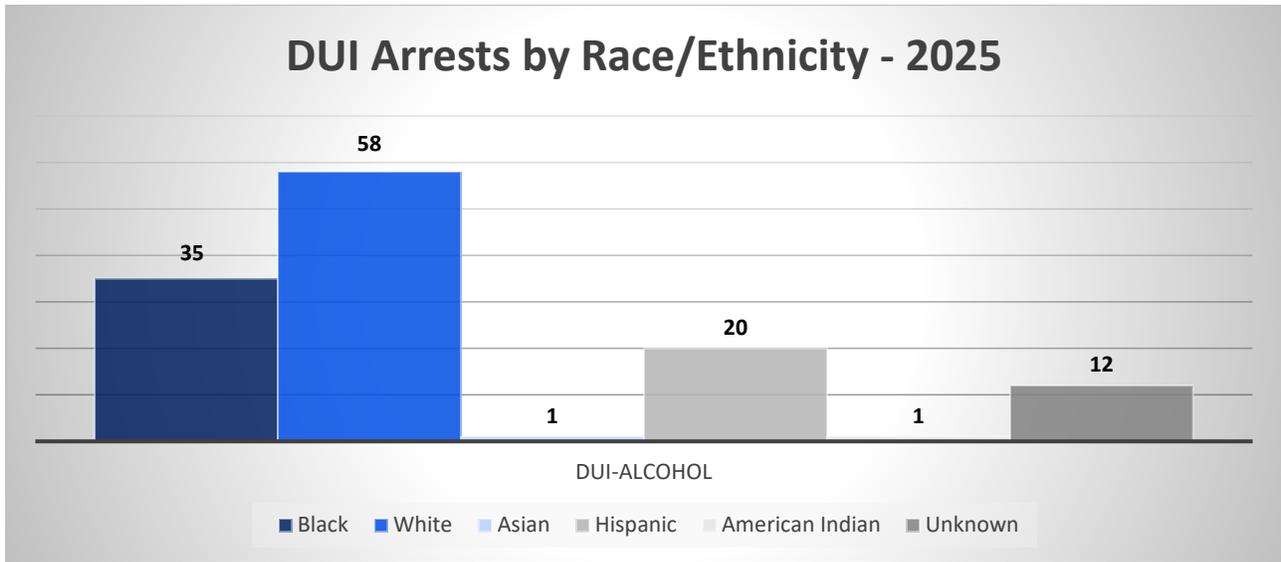

Here are the top traffic citations and warnings issued by deputies in 2025. These may be the reason why a traffic stop was conducted or for an offense discovered after a traffic stop was made. These might also include citations issued because of a traffic accident.

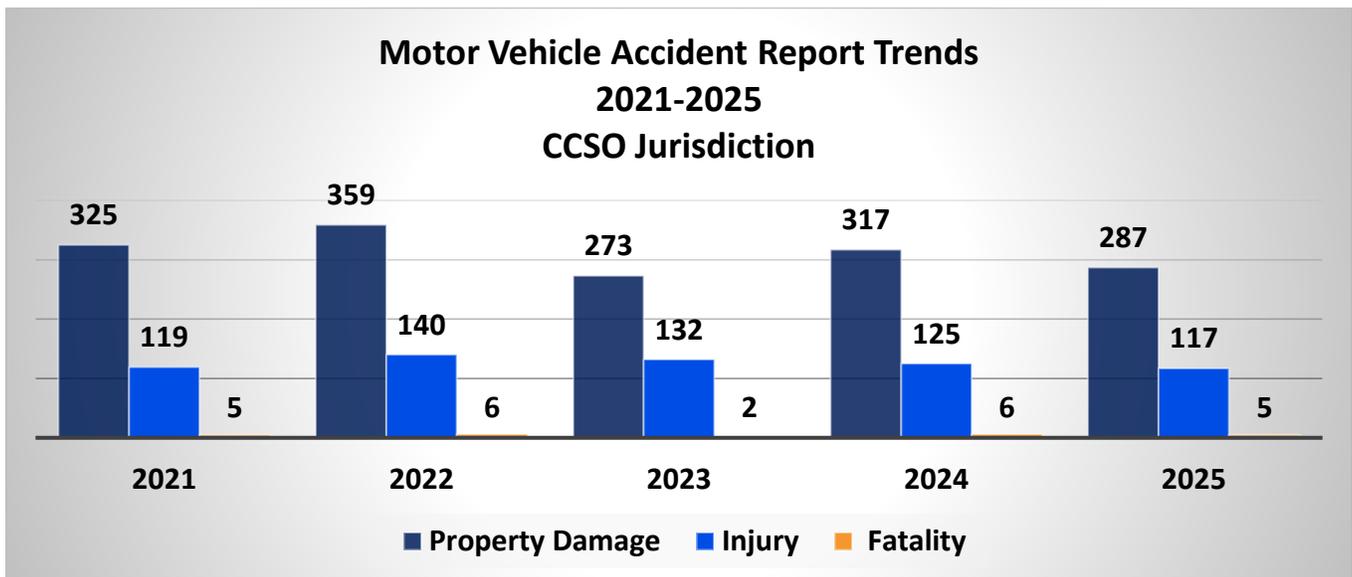

Patrol Statistics – Driving Under the Influence Arrests

In 2025, deputies arrested or cited 117 individuals for Driving Under the Influence of Alcohol (DUI).

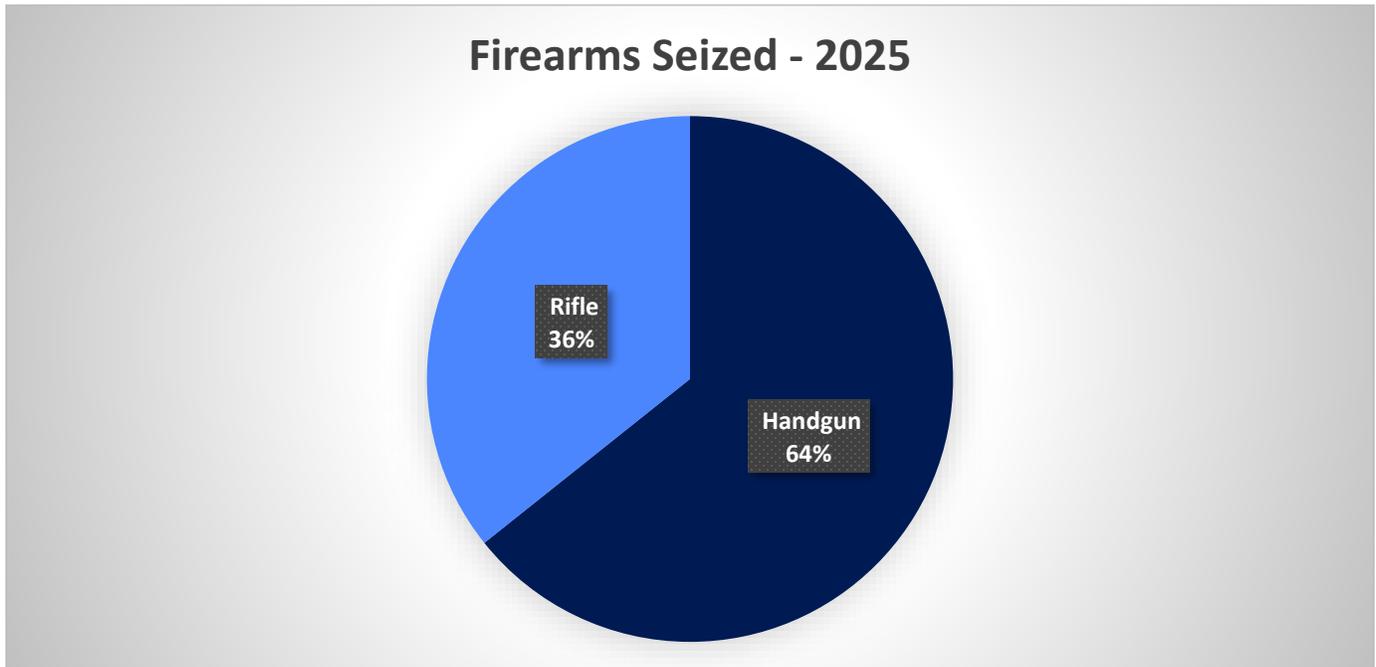

Patrol Statistics – Motor Vehicle Accidents

In 2025, Sheriff’s deputies responded to 409 motor vehicle accidents on roadways within the county where CCSO is the primary law enforcement agency. Accidents on State routes, U.S. routes and Interstates are routinely handled by the Illinois State Police, therefore would not be counted in this number even if CCSO assisted with the accident. CCSO also does not generally investigate motor vehicle accidents that occur within the city limits of Champaign, Urbana, Mahomet or Rantoul unless extenuating circumstances exist.

Patrol Statistics – Firearms Seized

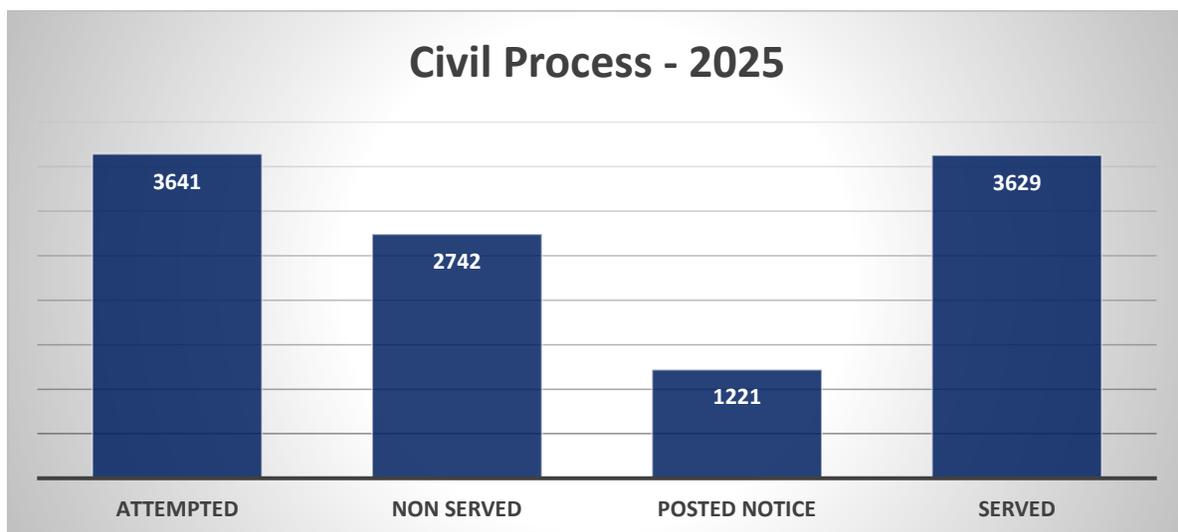

Deputies and investigators also seized 14 firearms as a result of traffic stops and other criminal investigations in 2025.

Civil Process

One unique function of the Sheriff's Office is civil paper service. The Sheriff's Office has two full-time Civil Process Servers, who are also sworn deputies, responsible for serving civil papers in Champaign County. These might include orders of protection, eviction notices or summonses to appear in court.

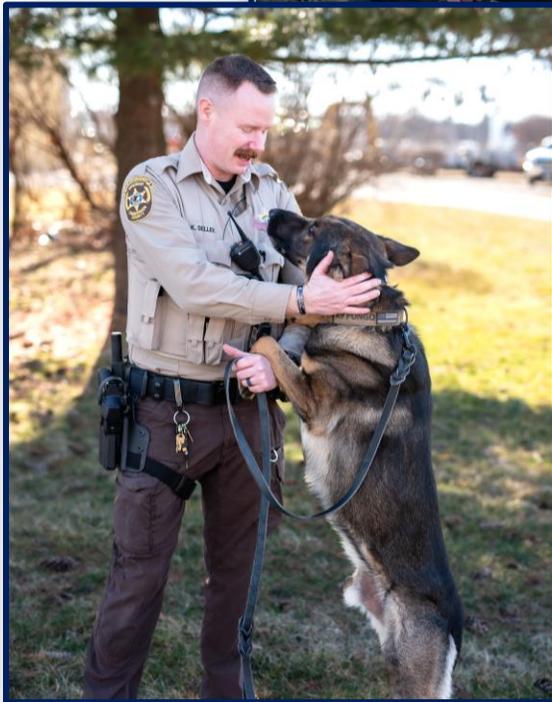

In 2025, deputies either successfully served or attempted paper service 11,233 times.

K-9 Patrol Deputies

The patrol division has three K-9 deputy positions. These canine assets are routinely used for locating illicit contraband and tracking for missing persons. There is one K-9 on day shift and one K-9 on each of the night shifts.

In 2025, the Sheriff's Office K-9 team used the K-9s 68 times for various tasks such as detecting controlled substances, searching for missing people, tracking suspects who had fled a crime scene and searching for firearms that had been discarded. As a result, 68.6 grams of cannabis, 1 gram of crack cocaine, 4 grams of methamphetamine, 34 grams of heroin, and 40 grams of cocaine were located.

Personnel Changes

Sheriff Heuerman also swore-in six new patrol deputies in 2025. Once hired, deputies go through a rigorous field training process that lasts for months. New deputies are also required to attend a 16-week, certified police academy before starting their field training. A variety of topics are covered, including Illinois law, community policing, combating implicit bias, effective communication/de-escalation techniques and control tactics, among others. It takes approximately nine months and \$40,000 to get a new deputy ready for solo patrol.

We celebrated the promotions of Deputy Brize and Deputy Christensen to the rank of Sergeant.

We celebrated the retirements of Sergeant Vercler and Deputy Pryor. We wish them well in retirement!

Law Enforcement Recognition

Deputy Chase Reifsteck was the Sheriff's Office's Deputy of the Year. Deputy Reifsteck was recognized for his exemplary work with his K9 partner and his dedication to the residents and visitors of Champaign County.

We also recognized several deputies and investigators with commendations at our annual awards recognition ceremony.

Training

In addition to initial law enforcement academy training, each deputy is required by law to complete recurring, mandated training in various topics, including use of force updates, law updates, firearms qualification, taser qualifications, civil rights, Constitutional & proper use of authority, cultural competency, human rights, mental health awareness, psychology of domestic violence, and many more.

The Sheriff's Office has also invested in training beyond what is mandated by law.

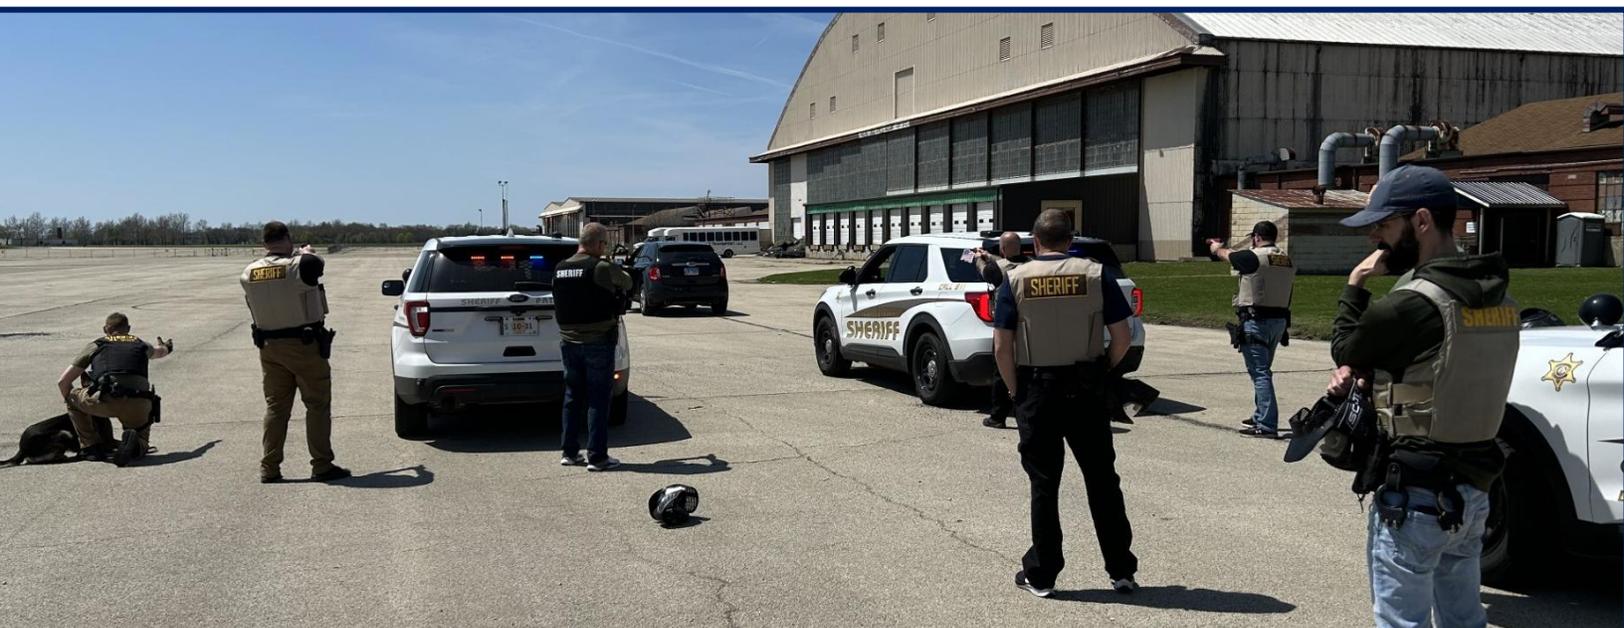

Some of this training includes:

- De-escalation scenario training
- Recognizing implicit bias
- Traffic stop scenario training
- Firearms simulator training
- Control tactics
- Crisis intervention training
- Leadership training for supervisors
- Rapid response to critical school incidents

Deputies serving in specialty positions (CSI, Investigations, K-9, School Resource Officer, etc.) receive additional training to be proficient in their responsibilities.

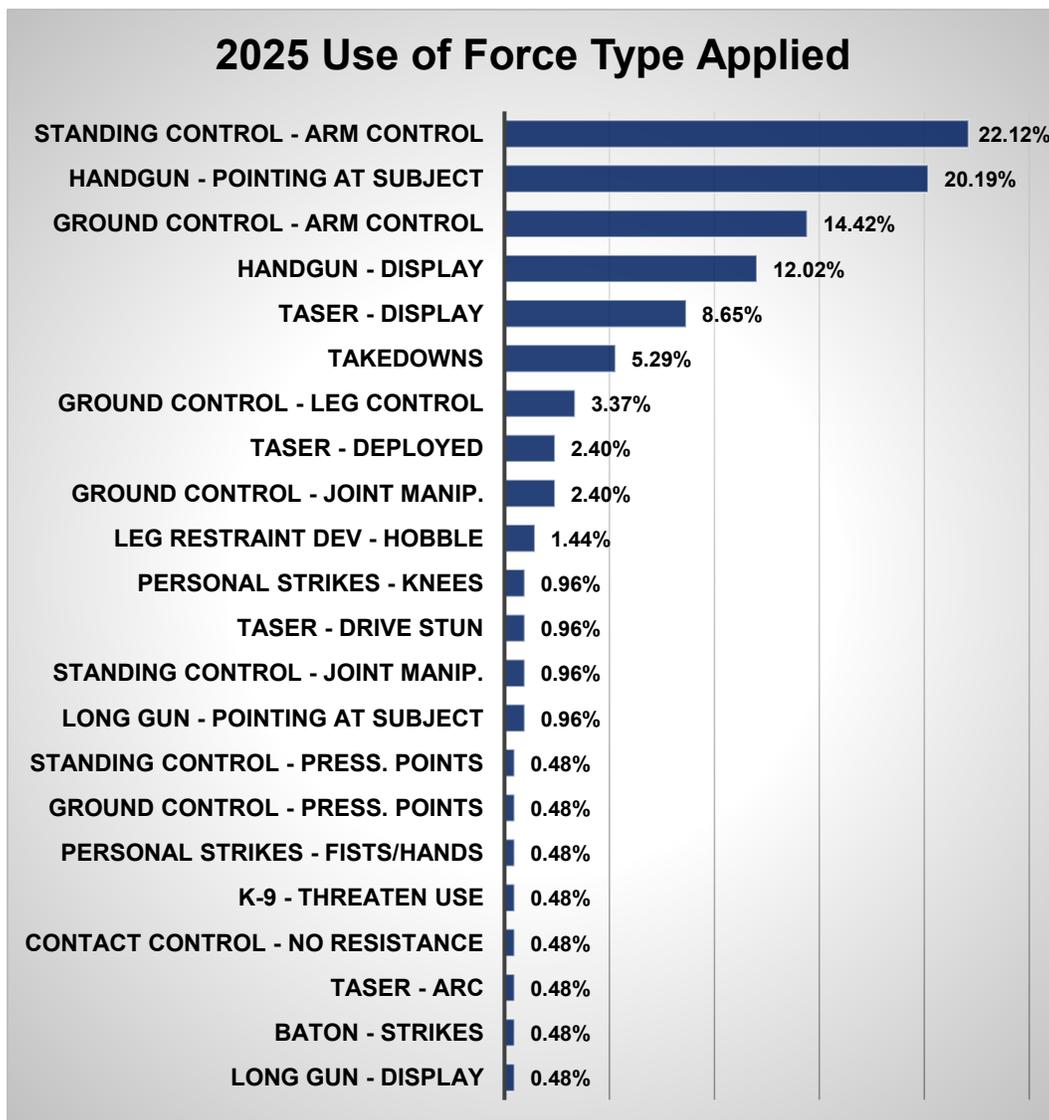

In 2025, members of the law enforcement division logged 4,549 training hours.

Use of Force

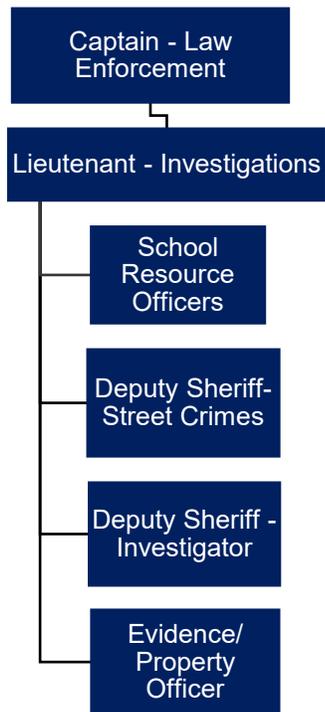

Of the 18,796 calls for service, traffic stops, and arrests handled by deputies in 2025, there were 131 incidents (0.7%) that required what would be considered a “use of force” above that which is usually needed during an incident or arrest with a compliant individual. Not all of these involve physical contact between the deputy and another person. The most common reasons for increased show/use of force are due to a high safety risk during an incident or because of a person resisting arrest.

The graph below shows the use of force that was used in these incidents. More than one type of use of force may have been used in a single incident.

Of these 131 incidents, 7 (5%) resulted in either a reported injury or minor injury to either the deputy or the suspect. No significant injury or death occurred.

INVESTIGATIONS DIVISION

Under the leadership of Lt. Curt Apperson, the Investigations Division is responsible for the investigation of a variety of crimes that occur in areas of the county where the Sheriff's Office serves as the primary police agency. They also provide support to other local departments upon request. The Investigations Division has five full time Investigators and an Evidence/Property Officer.

In addition to criminal investigators, the Sheriff's Office also has a deputy assigned to the Street Crimes Task Force, which is a multijurisdictional task force with Urbana Police Department, Champaign Police Department and University of Illinois Police Department. One of the major priorities of this task force is to work toward reducing violent crime in Champaign County.

Crime Scene Investigations

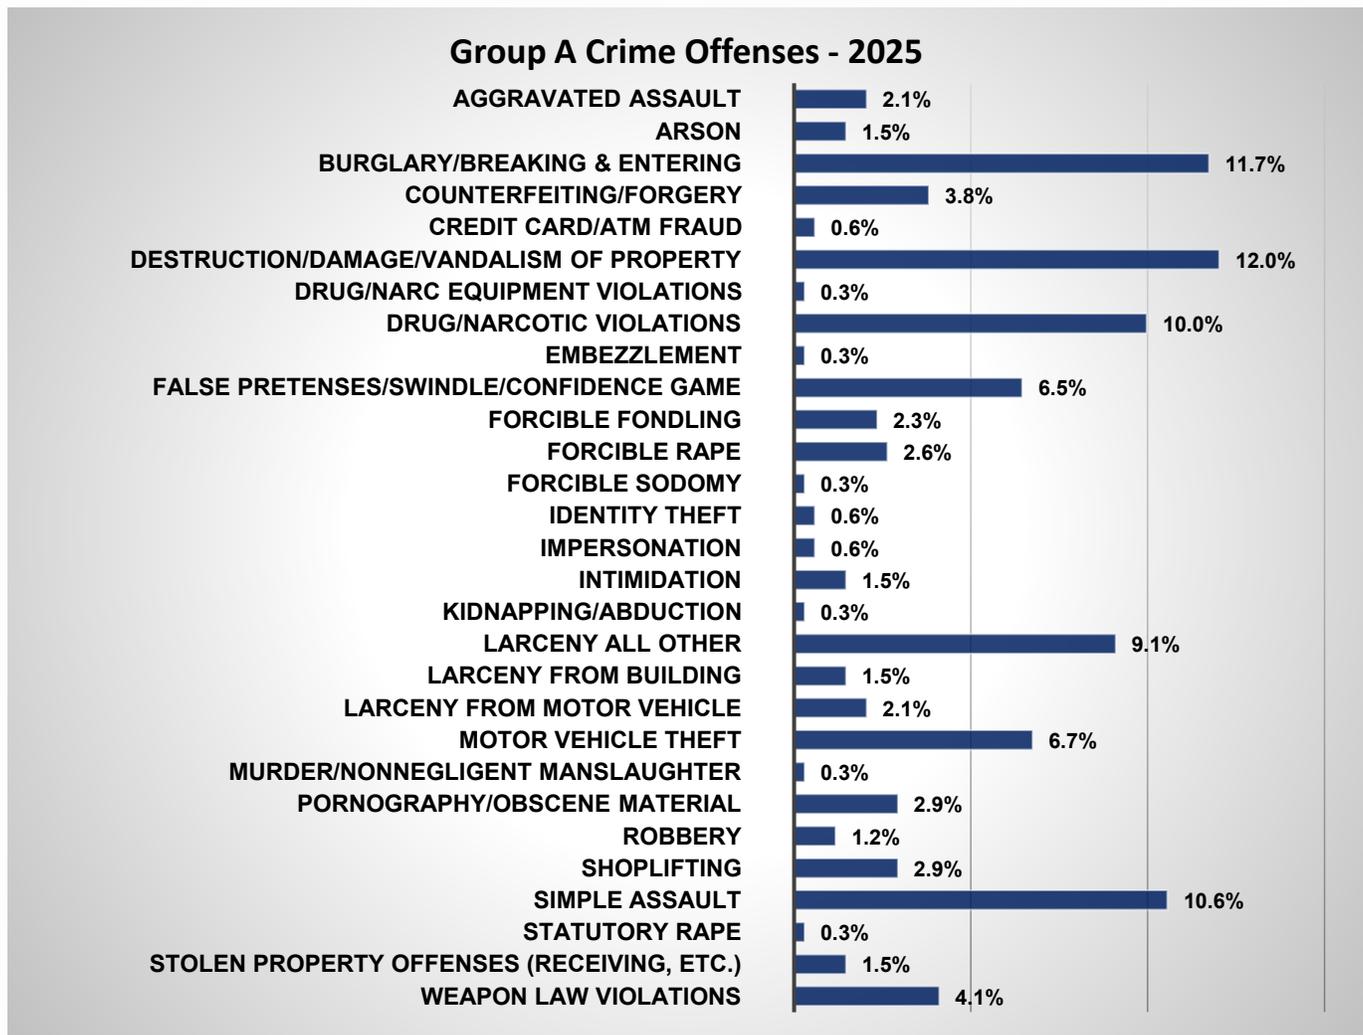

Five deputies from the Investigations and Patrol Divisions also have specialized training as Crime Scene Investigators and are utilized to collect evidence from crime scenes when needed. Sheriff's Office CSIs process a variety of scenes, including burglaries, shooting incidents, robberies, and homicides.

Criminal Investigation Statistics

Deputies and Investigators investigate hundreds of cases each year, including property crimes, crimes against persons, financial crimes, and homicides. Some cases are automatically assigned to the Investigations Division while others are referred to Investigations by the Patrol Division. This is generally due to the complexity of the case. Some investigators also have specialized training in areas such as cybercrime and other crimes committed through the use of technology.

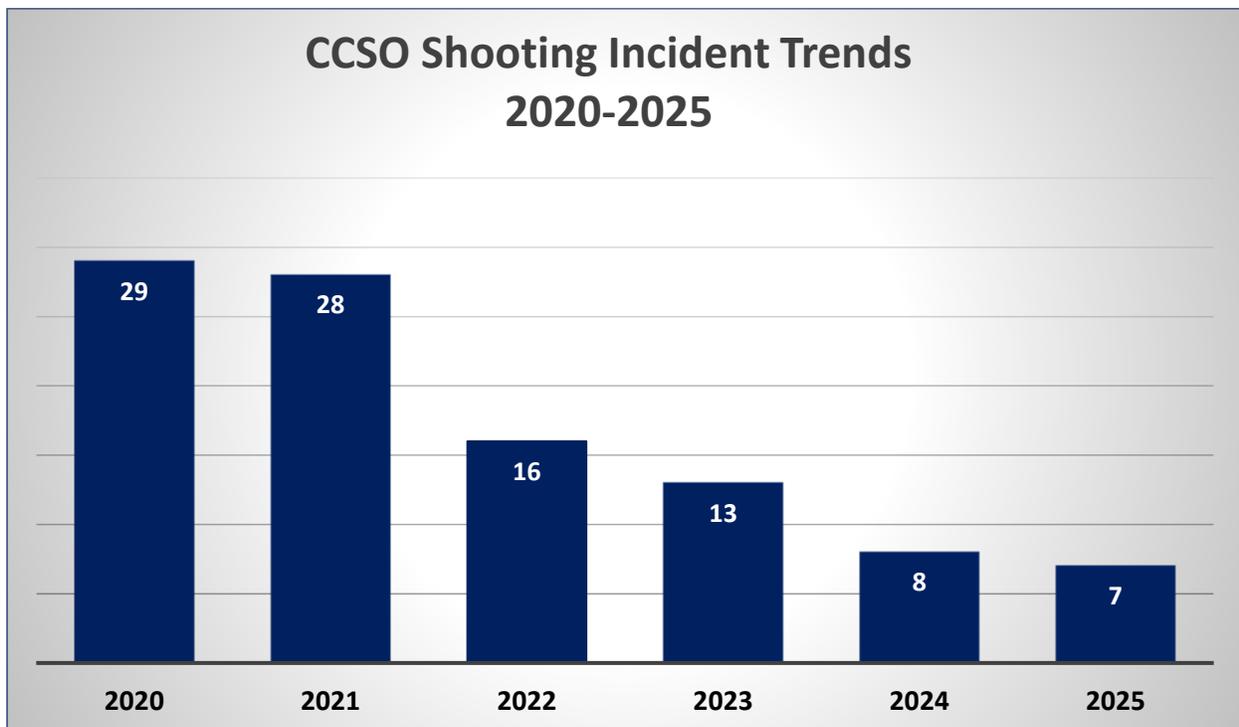

The Sheriff's Office collects data based on the National Incident Based Reporting System (NIBRS). There were 344 Group A offenses investigated between the Investigations and Patrol divisions in 2025.

**These include attempts to commit the offense and conspiracy to commit the offense, even if the actual offense wasn't completed.*

Shooting Investigation Statistics

The Sheriff's Office investigated 7 incidents in 2025 where there was evidence of shots being fired (property damage, shell casings, injured persons, etc.) in county jurisdiction.

School Resource Officers

The Sheriff's Office has two School Resource Officers (SRO). The role of a SRO is to not only be present in schools in case of an incident, but more importantly to create a mentoring relationship with students through day-to-day contact. Deputy James started as the Unity SRO in 2023 and Deputy Hallett has served the St. Joseph & Prairieview-Ogden school districts since 2019.

These SROs also coordinate with the school districts to help prepare plans in case of an emergency. Both Deputy James and Deputy Hallett are active in the school districts both on and off duty.

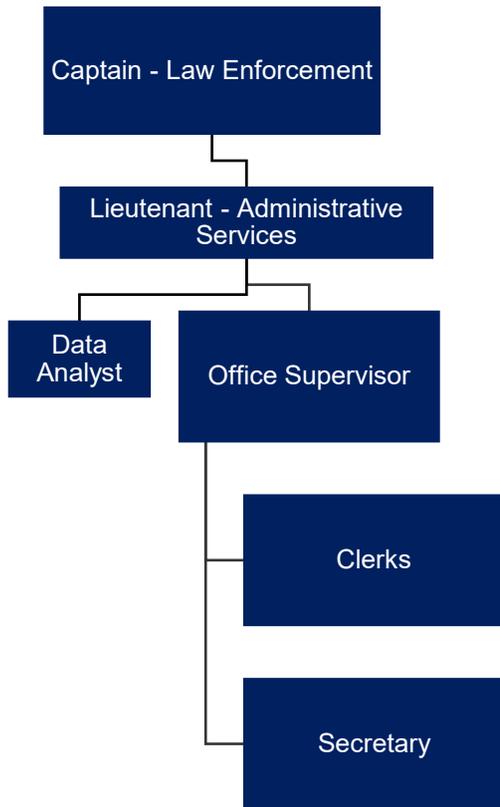

Personnel Changes

We celebrated the retirement of long-time Evidence Custodian Thad Trimble. We wish him the best in retirement!

ADMINISTRATIVE SERVICES DIVISION

Under the leadership of Lt. Chad Beasley and Office Supervisor Martha Clark, the Administrative Services Division is likely the first point of contact someone will have when coming to the Sheriff's Office. In addition to this vital customer service role, the Division enters, processes, and maintains Sheriff's Office records including warrants, traffic citations, orders of protection and other civil papers. The Administrative Services team works diligently to ensure accurate records are processed in a timely fashion.

In 2025, the Administrative Services Division processed 11,233 civil papers (including attempts, postings and services), 3,076 warrants and 4,427 traffic citations and warnings, among accomplishing various other tasks.

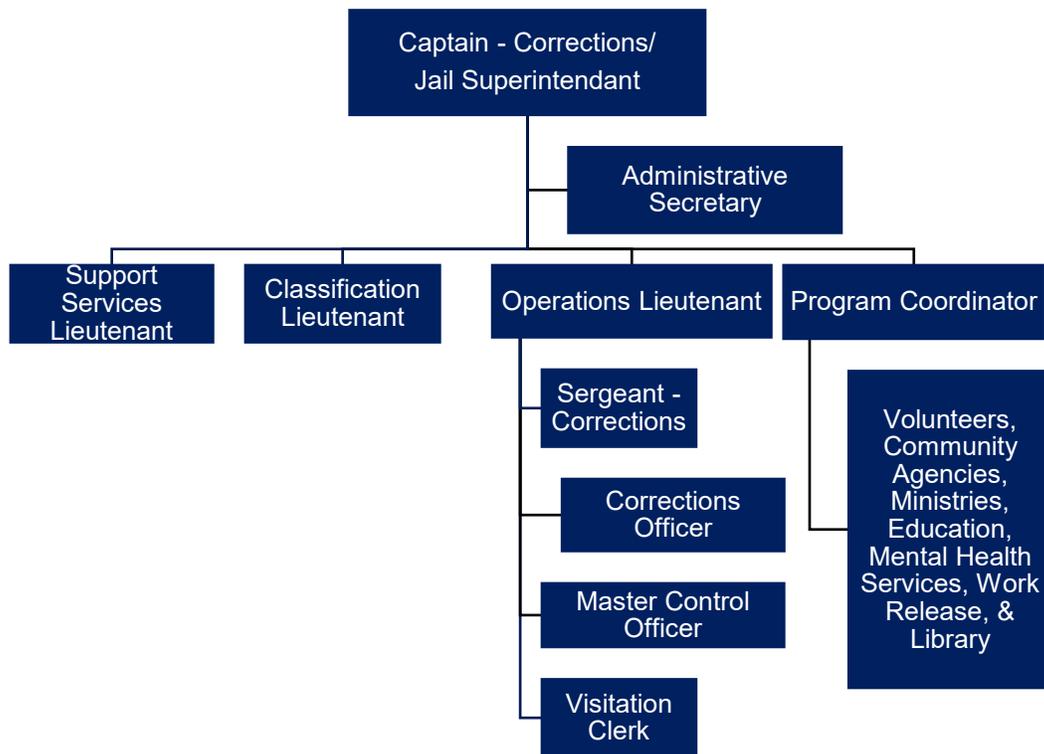

Personnel Changes

We celebrated the retirement of Records Clerk Wendy Fouch. We wish her the best in retirement!

CORRECTIONS DIVISION

The day-to-day operations of the Champaign County Jail are managed by the Jail Superintendent, Captain Karee Voges. In collaboration with the Sheriff, she provides guidance to three Lieutenants, eight Sergeants, fifty correctional officers, twelve master control officers, and support staff.

The Corrections Division is a 24/7 365 operation charged with processing new arrestees, securely transporting inmates to court hearings and medical appointments, and supervision of inmates serving a sentence in the community through electronic monitoring.

Personnel Changes

Sheriff Heurman swore in fourteen new Correctional Officers in 2025. Once hired, these officers attend an eight-week corrections academy and undergo months of field training at the jail before being released on their own.

In 2025, we celebrated the promotion of Correctional Officer Craig Wakefield to the rank of Sergeant.

We also celebrated the retirement of Sergeant Amber Links. We wish her well in retirement!

Corrections Recognition

Officer Trevan Garrett was the Sheriff's Office's Correctional Officer of the Year. Officer Garrett was recognized for his exemplary work and dedication to the residents and visitors of Champaign County.

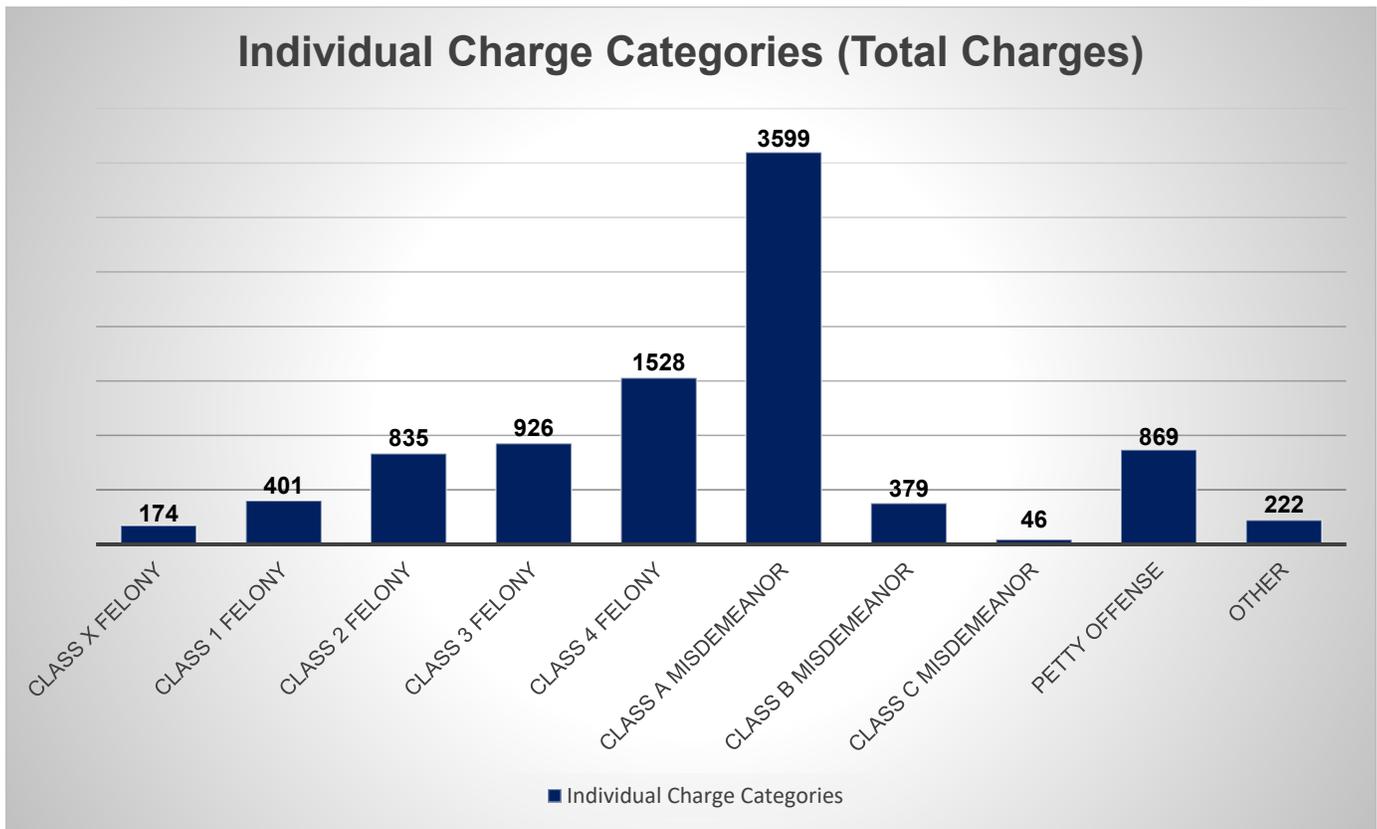

We also recognized several correctional officers with Life Saving Awards at our annual awards recognition ceremony.

Corrections Statistics

All individuals arrested for an alleged State of Illinois criminal offense committed within Champaign County come to the Champaign County Jail. A total of 3,910 inmate bookings were processed in 2025. 3,449 of these were arrests made by law enforcement officers and 461 were the result of sentencing. Of the 3,910 inmate bookings, there were 8,980 total charges. In many cases a booking was associated with multiple charges. The top charges below may or may not have been the primary reason for a booking. For example, an individual might have been arrested for DUI but was also charged with having a suspended driver's license. In this case, two charges were associated with one booking/arrest.

(NOTE: This chart represents the category of individual charges for the 3,910 inmate bookings. Multiple charges may be associated with an individual booking.)

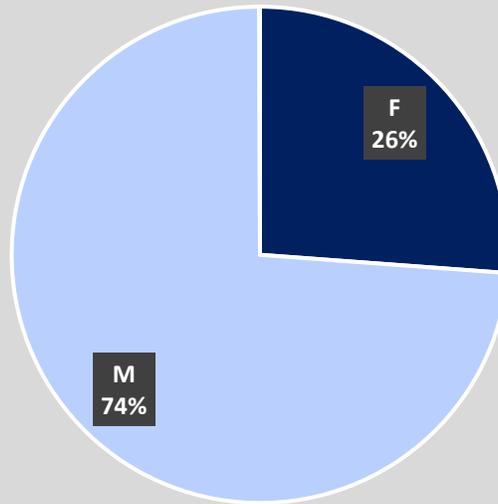

Top Felony Arrest Charges

- Aggravated Battery (various types) – 13%
- Aggravated DUI (various types) – 8%
- Burglary – 7%

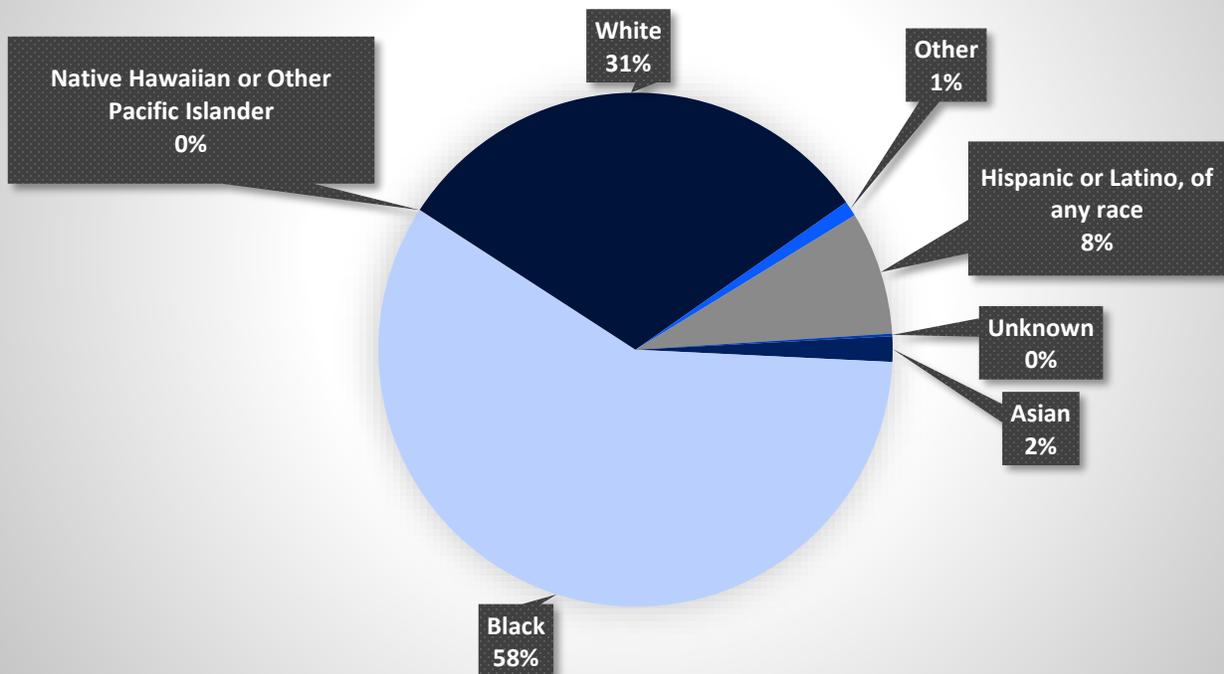

Top Misdemeanor Arrest Charges

- Domestic Battery (various types) – 17%
- DUI – Alcohol – 15%
- Resist/Obstruct a Peace Officer – 8%

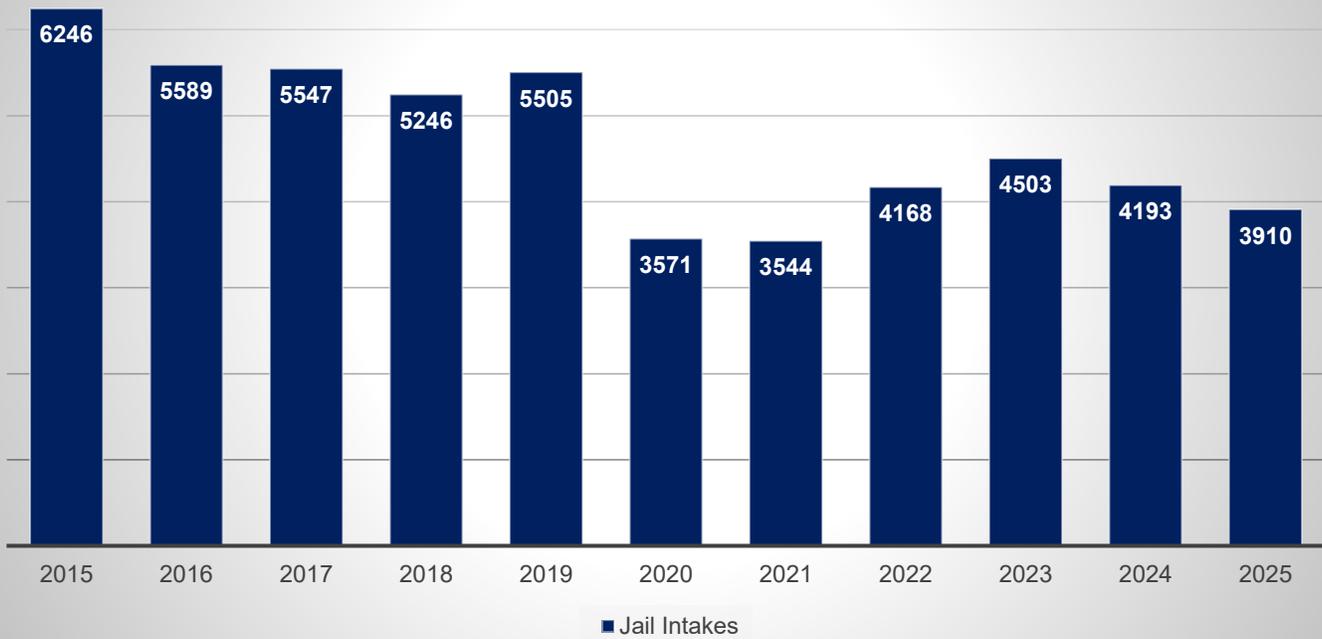

Jail Intakes Based on Gender - 2025

(Does not include electronic home detention)

Average # of Days in Custody Trends, 2015 - 2025

(Does not include electronic home detention)

Electronic Home Detention (EHD)

Some offenders who are sentenced by the Court can participate in our EHD program. This program is for nonviolent offenders and allows the offender to still work in the community while serving their sentence at home. The location of offenders in this program is electronically monitored, and participants are held accountable for strict guidelines, including random checks by Sheriff's Office staff. If found to be in noncompliance with the established, agreed upon rules of the program, the offender will spend their remaining sentence in the jail.

The average number of EHD clients per month in 2025 was 26. The average length of sentence for someone on EHD in 2025 was 30 days.

Who's In Jail?

It can be very difficult to get the “whole picture” of arrestees that come to the Champaign County Jail. Except for those arrested for federal crimes, every person who is arrested in Champaign County is brought to the Champaign County Jail. With few exceptions, there is no longer money bond in Illinois. If the State's Attorney is not seeking detention on an arrestee, the arrestee will be released with pre-trial conditions. If detention is being sought, the arrestee will have a detention hearing by a judge.

Here is a link to daily jail statistics:

[Daily Booking Report](#)

Here is a link to those who were brought to the Champaign County Jail within the last 24-hour period (updated daily). It also shows if the person was brought in on a warrant or original charge:

[Inmate Bookings Report](#)

If you are interested in the jail population, and the offenses for which people are arrested, regularly checking these documents can be a great source of information.

You can also keep up to date on daily inmate bookings, as well as a wealth of other information, with our free Champaign County Sheriff's Office app.

Corrections Programs

The philosophy of Champaign County Corrections is that programs should be offered for inmates who want to leave jail in a better state than when they came to jail. All inmate programs are voluntary and are organized by our full-time Program Coordinator, Celeste. She is always looking for new and innovative ways to offer new programs for inmates.

Below are programs typically offered at the jail.

MEN'S PROGRAMS

- Christian Church Services
- Christian Bible Study
- Movie Critic Class/Discussion
- Mindfulness Training
- GROW (*Mental Health & Wellness Support Group*)
- Alcoholics Anonymous
- Narcotics Anonymous
- Celebrate Recovery (*faith-based addiction recovery*)
- Individual Bible Study
- American Sign Language
- 7th Day Adventist Bible Study
- Art Program
- Spanish Church
- Conflict Resolution
- Navigate (*faith-based addiction recovery*)

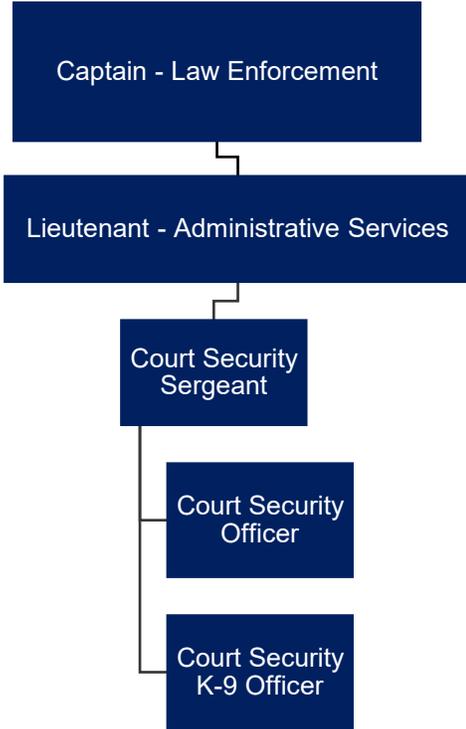

WOMEN'S PROGRAMS

- Alcoholics Anonymous
- Christian Church Services
- Narcotics Anonymous
- Celebrate Recovery (*faith-based addiction recovery*)
- GROW (*Mental Health & Wellness Support Group*)
- HONOR
- Art Program
- Conflict Resolution
- Pregnancy & Parenting
- Navigate (*faith-based addiction recovery*)
- Yoga

POTENTIAL FUTURE PROGRAMS

- Expressive Art Series
- Seeking Safety (relationship "skills")
- Thinking Skills

COURT SECURITY DIVISION

Under the leadership of Lt. Chad Beasley and Sgt. Chris Hammel, the Court Security Division is responsible for maintaining a safe courthouse. By law, the Sheriff is required either to attend or have a representative present in every county court proceeding that occurs in Champaign County.

There are thirteen Court Security Officers covering eleven courtrooms and the screening area at the front doors of the courthouse.

Personnel Changes

In 2025, CCSO welcomed two new Court Security Officers to the Division.

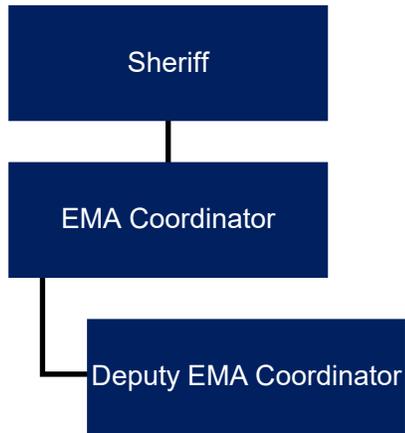

Court Security Recognition

Officer Malinda Zellers was the Sheriff's Office's Court Security Officer of the Year. Officer Zellers was recognized for the exemplary work and dedication to the protection of employees and visitors in the Champaign County Courthouse.

EMERGENCY MANAGEMENT AGENCY

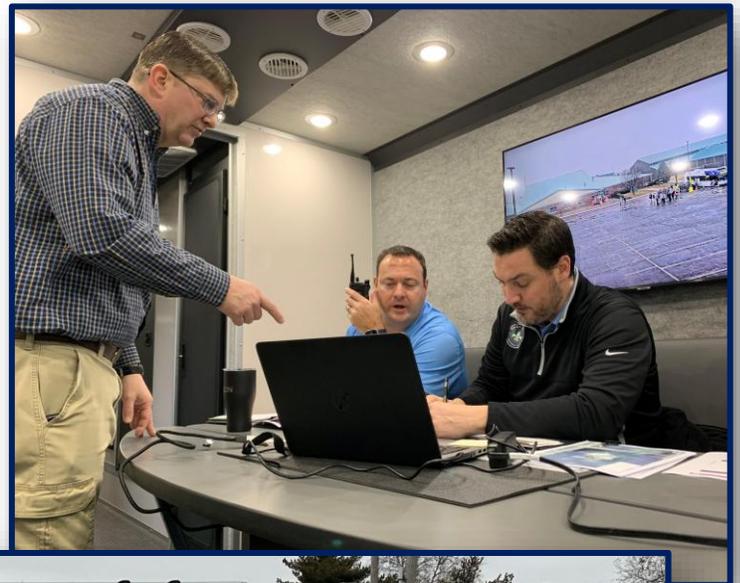

In Champaign County, the Champaign County Emergency Management Agency (EMA) falls under the leadership of the Sheriff. EMA has two full-time employees.

One of the major functions of EMA is to coordinate with municipalities in Champaign County for emergency/disaster preparedness. EMA also works closely with the local hospitals and other healthcare facilities to help them prepare for emergencies.

Champaign County EMA has a mobile command center that can be on the location of an emergency or disaster in a short amount of time and helps support a coordinated response. EMA also maintains one of the two Emergency Operations Centers in Champaign County, which is activated during times of disaster or emergency.

Highlights from EMA in 2025 include:

- 1,072 total volunteer hours for training and incident response.
- 21 emergency management-related exercises performed and evaluated.
- Helped facilitate collaboration with 25 local agencies for emergency planning exercises.
- 2 area Search and Rescue Team activations.
- Hosted Protecting Houses of Worship Training
- Hosted 2-day Search and Rescue Summit.

COMMUNITY ENGAGEMENT
