Village of Royal  
Village of Royal Small Community Wastewater System  
101 East Main Street, P.O. Box 159  
Royal, IL 62764

LETTER OF SUPPORT – Village of Royal Small Community Wastewater System

To Whom It May Concern:

The Champaign County Public Health Department supports the Village of Royal's efforts at developing a small community wastewater system that will serve the downtown commercial district of the Village.

Currently, no space exists for the current commercial businesses to expand and comply with the *Illinois Sewage Disposal Licensing Act and Code*. This project will allow the Village of Royal to update and revitalize their downtown business district by providing an approved way for their downtown businesses to comply with the rules governing sewage disposal. This is essential for the growth of their community.

For these reasons and all of the benefits the community receives from a small community wastewater system, the Champaign County Public Health Department supports the Village of Royal Small Community Wastewater System funding initiative.

Sincerely,

Julie Pryde, MSW, LSW  
Administrator

Jim Roberts, MS, LEHP  
Director of Environmental Health
