LEGAL INFORMATION & RESOURCES

We are able to provide one-on-one remote services in providing legal aid information and resources to assist you during regular business hours.

FORM COMPLETION

We are able to provide one-on-one remote legal information to assist you in completing your legal forms during regular business hours.

REVIEW OF FORMS

We are able to provide one-on-one remote legal information to assist you in checking for completion of forms (must have forms completed already) during regular business hours.

*Champaign County Self Representation Help Center can not give you legal advice. If you need legal advice, you should contact an attorney. The other side in your case can contact us for these services as well. If they do, we'll help them in the same way we are helping you. This applies for any and all assistance you receive from the Champaign County Self Representation Help Center.
