44 Rules, as updated – May 14, 2018 and 2) Ordinances No. 837 and No. 851 regarding the duties, powers,
45 and responsibilities of the County Administrator.
46

47 The committee reviewed each update to CB/CE Rules with changes in red text. Weibel noted that
48 the green text designated items to be updated by the State's Attorney's office upon further research.
49

50 County Board Rules

51

52 Item 7A-Parliamentarian: Busey asked if the County Executive may also designate a
53 parliamentarian for County Board meetings. Weibel agreed and would update the language accordingly.
54 Busey said that historically parliamentarians have only been utilized at County Board meetings, although
55 it may be more useful at a committee meeting.

56

57 Item 12F1-County Board Rules/Items for Agenda: the committee agreed to strike this item: *Items*
58 *proposed for consideration by the Board shall be submitted to Administrative Services on or before Noon*
59 *on the Tuesday preceding the Board meeting.*

60

61 Item 12G-County Board Rules: the committee discussed the newly modified rule: *The County*
62 *Board Chair shall designate a portion of the regular of the regular monthly County Board Meeting*
63 *agenda as the Consent Agenda. Items included in the Consent Agenda shall be items that were*
64 *unanimously adopted out of committee. Any item on the Consent Agenda may be pulled off for discussion*
65 *prior to a vote on the Consent Agenda.* Patterson pointed out that the language did not specify that any
66 County Board member could make this request. Weibel would update the language.

67

68 Patterson asked if the County Executive could pull items off the Consent Agenda. Weibel and
69 Busey agreed that the County Executive did not have this power because he/she did not vote on the
70 Consent Agenda.

71

72 County Executive Rules

73

74 Item 6-hiring of employees and appointees: This section is covered by the County's Personnel
75 Policy and this level of detail has never been in the County Board Rules. Busey recommended that the
76 County continue to address this through the already established personnel policy.

77

78 Item 9-Weibel would double check the following: *if the County Executive is temporarily not*
79 *available to preside over a board meeting, the County Board Chair shall preside over the board meeting.*

80

81 Weibel said that the approval /veto of ordinances was still under review by the State's Attorney's
82 office.

83

84 Ordinance No.'s 837 & 851

85 Duties, Powers, & Responsibilities of the County Administrator

86

87 The committee determined that Weibel would check with State's Attorney on Ordinance 837,
88 Item 5-Support of the Champaign County Board.

89

90 The committee determined that item 6-Contracts and Agreements had already been covered by
91 the County Executive Duties. Item 7-Property: should be included under County Executive Duties:
92 striking *Facilities Committee* and replace with *Board*. Item 8-Communications and Information
93 Technology and Item 9-Organization should both be included.

94

95 Ordinance No. 851 dealt with personnel issues and was already covered by the County's
96 Personnel Policy.

97
98 **MOTION** by Patterson to approve changes made at the meeting; seconded by Goss. **Motion**
99 **carried with unanimous support.**

100
