Elly and Finance. Some BUA's tonight, table the Coronor until Feb. It is a bookkeeping issue. Some grant funds are incoming. Travis gives details. There is BUA for the power bill and plans to lower the bills in the future. The Audit update is detailed by Travis. It will be late. RPC is aware and working on that information and there will be impacts. The Coronor will also see some impact from the late audit, lost a grant opportunity. More BUA's will be in the future.
