To: Justice Committee  
From: Bill Keller Director  
Subject: EMA Yearly Activity Report  
Date: December 28, 2010

<b>Grants Received.</b>	
<b>Emergency Management Preparedness Grant.</b>	46,253.00
This grant is a yearly grant to help offset the agencies administrative costs	
<b>Tactical Interoperability Communication Grant.</b>	42,799.00
This grant was received to assist the agency in cost associated with the writing of an interoperable communication plan for all the public safety and ancillary agencies that would be involved in a response to major incident in Champaign County. The grant also required a table top exercise to be conducted and Evaluated.	
<b>Emergency Operation Center Technology Grant</b>	140,149.00
This grant was received to allow us to upgrade our Emergency Operation Center with audio / visual equipment to assist command staff in management of a major disaster.	
<b>Emergency Generator Grant</b>	157,016.00
This grant allowed us to receive 6 standby generators to be used during emergencies that have left critical facilities without commercial power.	
<b>Total Grants applied for and managed</b>	386,217.00

### Planning

Our Emergency Operation Plan was do for updating and approval from the Illinois Emergency Management Agency. The plan was reviewed updated and sent to the State in August and a letter of review and approval was received in September. The plan will be required to be re-evaluated in September of 2012.

### **Tactical Interoperable Communication Plan**

This plan was written and sent to the State and approved in October.

### **Continuity of Operation Plan.**

This plan was written to try and insure the agency could operate during a severe pandemic event. We have also supplied all County departments with a template plan for their use.

### **Exercises**

Willard Airport Mass causality exercise (Full Scale)

Tactical Communications (Tabletop)

Post Office Bio-Detection System (Tabletop)

Pandemic Event (Tabletop)

University of Illinois Hazmat. ( Full Scale)

### **Local Emergency Planning Committee.**

We are the agency charged with receiving and reviewing the hazardous material inventory for companies in the County.

We have listed 61 Extremely Hazardous Facilities and 65 Hazardous Facilities.

### **Addressing**

We are also the agency assigned to assign 911 addresses for residents in the unincorporated are of the County and have reviewed and assigned 30.

### **Severe Weather**

We were activated 6 times because of a severe weather treat to the area with only 1 event with damage to residents and facilities.
