COVID-19 Response

Champaign County has distributed over 238,000 pieces of PPE including N95 respirators, surgical masks, hand sanitizer, gloves, touchless thermometers, and other support items from October-December. CCEMA also provide PPE, linens pillows, and excess cots to Canteen Run and C-U at Home for their services to the local homeless. CCEMA liaisons with the Champaign County Testing Center near Marketplace Mall. ***The center tested 193,787 people since officially opening on May 19, 2020.*** Community Based Testing Site at Market Place Mall closed on March 31, 2022.

The County EOC also established a PPE reserve that is stored at CUPHD in case of emergency. This is a 90-day stock to support first responders and the hospitals in case of resurgence.
