Champaign County Developmental Disabilities Board
Three Year Plan for 2022-2024 with One Year Objectives

Logic Model Developed by Board and Staff with the UIUC Evaluation Capacity Building Project Team during Spring 2021

**CHAMPAIGN COUNTY BOARD FOR CARE AND TREATMENT OF
PERSONS WITH A DEVELOPMENTAL DISABILITY
(CHAMPAIGN COUNTY DEVELOPMENTAL DISABILITIES BOARD)**

WHEREAS, the Champaign County Developmental Disabilities Board was established under the Illinois County Care for Persons with Developmental Disabilities Act, now revised as the Community Care for Persons with Developmental Disabilities Act (IL Compiled Statutes, Chapter 50, Sections 835/0.05 to 835/14 inclusive) in order to “provide facilities or services for the benefit of its residents who are persons with intellectual or developmental disabilities and who are not eligible to participate in any such program conducted under Article 14 of the School Code, or may contract therefore with any privately or publicly operated entity which provides facilities or services either in or out of such county.”

WHEREAS, while the Champaign County Developmental Disabilities Board is not required by state statute or other authority to prepare a one- and three-year plan for a program of supports and services for people with intellectual and developmental disabilities, open strategic planning with input from stakeholders and constituents is highly valued.

THEREFORE, the Champaign County Developmental Disabilities Board does hereby adopt the following Mission Statement and Statement of Purposes to guide the development of the intellectual and developmental disabilities supports and services plan for Champaign County:

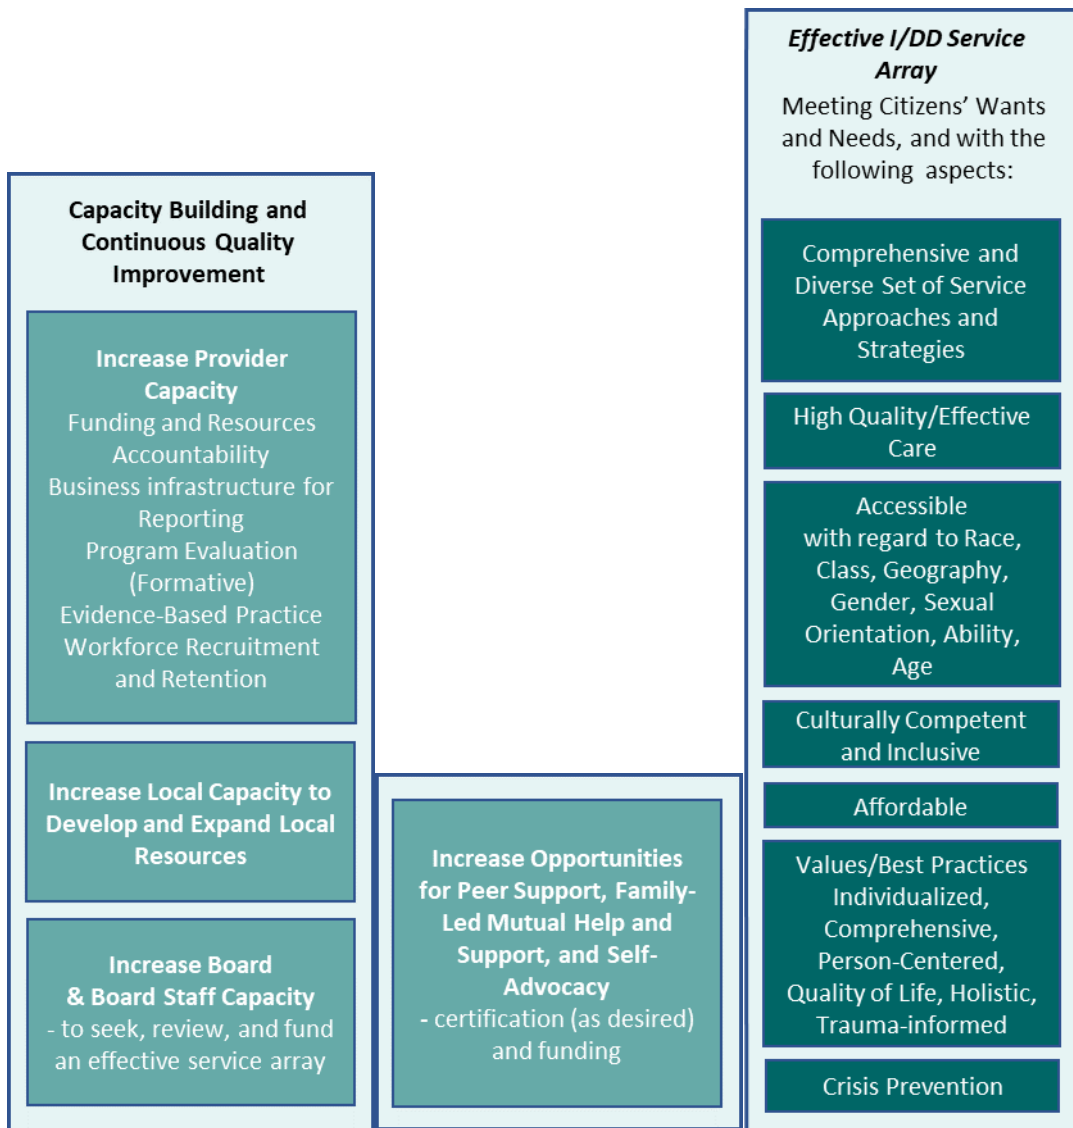

MISSION STATEMENT

<i>The mission of the Champaign County Board for Care and Treatment of Persons with a Developmental Disability (CCDDDB) is the advancement of a local system of programs and services for the treatment of people with intellectual and/or developmental disabilities, in accordance with the assessed priorities of the citizens of Champaign County.</i>

STATEMENT OF PURPOSES

1. Planning for the intellectual and developmental disability service and support system to assure accomplishment of the CCDDDB goals.
2. Allocation of local funds to assure the provision of a comprehensive system of community based intellectual and developmental disability services and supports anchored in high-quality person-centered planning.
3. Coordination of affiliated providers of intellectual and developmental disability services and supports to assure an interrelated, accessible system of care.
4. Evaluation of the system of care to assure that services and supports are provided as planned and that services are aligned with the needs and values of the community.

To accomplish these purposes, the Champaign County Developmental Disabilities Board must collaborate with the public and private sectors in providing the resources necessary for the effective functioning of the intellectual and developmental disability service and support system. The CCDDDB shall perform those duties and responsibilities as specified in Sections 835/0.05 to 835/14 inclusive of the Community Care for Persons with Developmental Disabilities Act.

A COORDINATED AND ACCESSIBLE CONTINUUM OF SERVICES AND SUPPORTS

Goal #1:

Support a continuum of services to meet the needs of people with intellectual and/or developmental disabilities (I/DD), along with their families, residing in Champaign County.

Objective #1: Under established policies and procedures, solicit proposals from community based providers in response to Board defined priorities and associated criteria using a competitive application process.

Objective #2: With clear connection between the model and best outcomes for people served, encourage use of appropriate evidence-based, evidence-informed, recommended, innovative, or promising practice models.

Objective #3: Promote wellness for people with I/DD to prevent and reduce early mortality, through supports and services which may include enrollment in benefit plans, linkage and advocacy, and coordinated access to primary care. Support access to physical and behavioral health treatments for persons regardless of ability/disability.

Objective #4: Identify outcomes of value to those who use services and supports. Partner with people with I/DD and key stakeholders toward improved outcomes for people.

Objective #5: Pursue, as feasible, development or expansion of residential and/or employment supports for persons with I/DD not supported with state/federal funding.

Objective #6: In response to changes in Medicaid and Medicaid-waiver services, realign CCDDDB investments to fund services and supports outside the realm of Medicaid, including pilot projects and creative solutions to persistent problems, such as workforce recruitment and retention, including, but not limited to, Direct Support Professional (DSP) retention efforts and payments.

Objective #7: Support initiatives providing housing and employment supports for persons with intellectual and developmental disabilities through the Champaign County Continuum of Service Providers to the Homeless, Transition Planning Committee, or other local collaboration.

Objective #8: Enable providers to implement flexible service options, such as telehealth or other virtual means, to maintain access and engagement with clients and community.

Goal #2:

Sustain the commitment to improving outcomes for members of underrepresented and underserved populations.

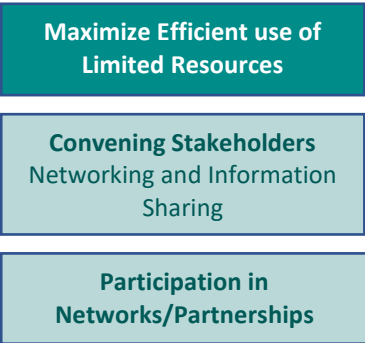

Objective #1: Support an inclusive network of culturally and linguistically responsive and family driven support groups.

Objective #2: Provide technical assistance for continuous improvement of funded agency providers’ cultural and linguistic competence plans, to meet the needs of all people served.

Objective #3: Encourage providers and other community-based organizations to allocate resources for training, technical assistance, and professional development activities for direct support staff and governing and/or advisory boards, to advance cultural and linguistic competence.

Objective #4: Promote trauma-informed practices in program delivery, board and agency staff development, policies, and procedures.

Objective #5: With assistance from the Regional Health Plan Collaboration, assess the impact of public health threats on Champaign County residents with I/DD, particularly those who are also members of racial or ethnic minority groups. Encourage providers to support best health outcomes for all.

Goal #3:

Improve access to and engagement in services through increased coordination among providers, community stakeholders, people with I/DD, their families, and other key supporters.

Objective #1: Sponsor or co-sponsor educational and networking opportunities for service providers and others supporting people with I/DD, offering in-person events as public health guidance allows.

Objective #2: Engage other local funders and stakeholders and participate in coordinating bodies and intergovernmental councils as appropriate, to develop new initiatives, strengthen services, and maximize opportunities for people who have I/DD.

Objective #3: In collaboration with the CCMHB and other community partners, ensure that the needs of justice-involved persons with I/DD are considered in the development of an effective diversion/deflection system.

Objective #4: Use public, family, self-advocate, provider, and stakeholder input to advocate for planning and policy changes at the state and federal levels and to shape future funding priorities for the CCDDDB.

Objective #5: Track Illinois Department of Human Services Division of Developmental Disabilities' Prioritization for Urgency of Need for Services (PUNS) database for state and local trends and to ensure full representation of the service preferences of Champaign County residents. Maintain and increase communication with the Independent Service Coordination team, representatives of the IDHS Division of Developmental Disabilities, and stakeholders, regarding PUNS and system changes. Through interviews and focus groups, learn about the service and support needs and preferences of Champaign County residents receiving services.

Values/Best Practices
Individualized,
Comprehensive,
Person-Centered,
Quality of Life, Holistic,
Trauma-informed

Goal #4:

Encourage high-quality person-centered planning and follow-through for people served by funding from the CCDDDB and, through the Intergovernmental Agreement, from the CCMHB.

Objective #1: Continue emphasis on self-determination and Person Centered Planning (PCP) training and implementation for all treatment plan clients. Support conflict free case management for all treatment plan clients.

Objective #2: Encourage focus on people’s identified personal outcomes in their person-centered plans and services and supports and people’s identified personal outcomes.

Objective #3: Collaborate with agency providers on the identification of performance measures consistent with valued outcomes such as connection to friends, community, meaningful work and non-work activities, etc.

Objective #4: Track the utilization of funded services, driven by self-directed service plans, through an integrated online data collection and tracking system.

Board Development
Onboarding; Study Sessions

Increase Board & Board Staff Capacity
- to seek, review, and fund an effective service array

Goal #5:

Continue the collaborative working relationship with the Champaign County Mental Health Board (CCMHB).

Objective #1: Coordinate integration, alignment, and allocation of resources with the CCMHB to ensure the efficacious use of resources for people with I/DD.

Objective #2: Encourage strategies that empower people and increase access to integrated settings as exemplified by the local collaborative approach to the Employment First Act.

Objective #3: Collaborate with the CCMHB on promoting inclusion and respect for people with I/DD.

Objective #4: Collaborate with the CCMHB for use of the funds from the sale of the CILA homes to meet the needs of Champaign County residents with I/DD with significant support needs.

High Quality/Effective Care

Accessible with regard to Race, Class, Geography, Gender, Sexual Orientation, Ability, Age

CHILDREN AND FAMILY-FOCUSED PROGRAMS

Goal #6: Identify children at-risk of developmental delay or disability, and support early intervention services and family supports.

Objective #1: Support the use of evidence-based/informed models by programs serving families with young children not eligible for Early Intervention or under the School Code, and require collaboration and coordination by providers to avoid duplication of effort and to reach all children who have a service/support need.

Objective #2: Emphasize cultural and linguistic competence in services and supports for young children and early identification of disabilities, including among members of racial, ethnic, or gender minority groups and rural residents. Reduce disparities in the age of identification and intervention to remediate delays. Promote culturally responsive and family driven support networks for all residents.

Goal #7:

Support access to services and programs for youth and adults with I/DD, with a preference for evidence-based practices to increase positive outcomes.

Objective #1: To improve the transition from school to adult services, foster collaborations among schools, adult service providers, young people with I/DD, and other stakeholders.

Objective #2: Emphasize flexible support for people with I/DD and their families to enhance their ability to live together, to transition to greater independence when and if they choose, and to be as connected to their communities as possible.

COMMUNITY ENGAGEMENT & ADVOCACY

Goal #8:

Promote inclusion and respect of people with I/DD, through broad based community education efforts.

Objective #1: Continue efforts to challenge stigma and discrimination, such as the Alliance for Inclusion and Respect and disABILITY Resource Expo. Continue to engage with student groups and interns on related research projects and discussions, such as through UIUC School of Social Work Learning Lab.

Objective #2: Participate in and promote other community education initiatives, such as walks, forums, and presentations to raise awareness, improve cultural competence, and cultivate acceptance, inclusion, and respect.

Objective #3: Support the continued awareness and understanding of developmental disabilities through sustainable self-advocacy and family support organizations, especially those comprised of parents and persons with the most prevalent intellectual/developmental disabilities. Promote groups' community education efforts to reduce stigma/promote inclusion and encourage collaboration with Cultural and Linguistic Competence Coordinator on outreach and engagement strategies.

Objective #4: Encourage and support efforts to integrate people with I/DD more fully into community life in Champaign County. Emphasize inclusion as a benefit to all members of the community, regardless of ability.

Objective #5: Encourage efforts to support people with I/DD in meaningful work and non-work experiences in their community, driven by their own interests. Investigate and develop strategies for engaging employers and other community partners.

Objective #6: Support development of web-based resources to make information on community services more accessible and user-friendly.

Objective #7: Increase community awareness of available local resources to broaden support and advocacy for local provider agencies by the community at large.

**Increase Influence on
Policy at Local, State,
and Federal Levels**

Goal #9:

Stay abreast of emerging issues affecting service and support systems and access to services and be proactive through concerted advocacy efforts.

Objective #1: Advocate for workforce development and stability, in coordination with people with I/DD and their families and supporters.

Objective #2: Track implementation of relevant class action suit settlements, such as the Ligas Consent Decree. Advocate for the allocation of state resources sufficient to meet needs of people returning to home communities from state DD facilities. Encourage development of least restrictive residential options for people transitioning from large facilities or selected from PUNS. For people not yet selected, and for those who have chosen Home-Based Support or a restrictive setting rather than CILA, advocate for the state to create flexible options.

Objective #3: Follow state and federal Olmstead cases, implementation of rules such as the Workforce Innovation and Opportunity Act, and state response to Home and Community Based Services guidance, with attention to local impact.

Objective #4: Monitor changes in the Medicaid waivers and Medicaid/Managed Care, and advocate for increased service capacity sufficient to meet demand in Champaign County.

Objective #5: Advocate for increased state funding and improvements in service delivery, adequate reimbursement rates, including for transportation, and timely payments for local community-based intellectual and developmental disability services and supports and to the broader human services network under contract with the State of Illinois. As opportunities arise, participate in planning and policy development with state agencies such as IDHS, and use these opportunities to advocate for the needs and choices of Champaign County residents.

Objective #6: In addition to the monitoring and evaluation of funded programs, encourage strategies which result in the highest quality personal outcomes for people with I/DD, their families, and those most closely involved in their lives.
