Champaign County Mental Health Board
Three Year Plan for 2022-2024 with One Year Objectives

Logic Model Developed by Board and Staff with the UIUC Evaluation Capacity Building Project Team during Spring 2021

CHAMPAIGN COUNTY MENTAL HEALTH BOARD

WHEREAS, the Champaign County Mental Health Board has been established under Illinois Revised Statutes (405 ILCS – 20/Section 0.1 et. seq.) in order to "construct, repair, operate, maintain and regulate community mental health facilities to provide mental health services as defined by the local community mental health board, including services for, persons with a developmental disability or substance use disorder, for residents thereof and/or to contract therefor..."

WHEREAS, the Champaign County Mental Health Board is required by the Community Mental Health Act to prepare a one- and three-year plan for a program of community mental health services and facilities;

THEREFORE, the Champaign County Mental Health Board does hereby adopt the following Mission Statement and Statement of Purposes to guide the development of the mental health plan for Champaign County:

MISSION STATEMENT

The mission of the CCMHB is the promotion of a local system of services for the prevention and treatment of mental or emotional, intellectual or developmental, and substance use disorders, in accordance with the assessed priorities of the citizens of Champaign County.

STATEMENT OF PURPOSES

1. To plan, coordinate, evaluate, and allocate funds for the comprehensive local system of mental health, intellectual and developmental disabilities, and substance use disorder services for Champaign County.
2. To promote family-friendly community support networks for the at-risk, underserved, and general populations of Champaign County.
3. To increase public and private support for the local system of services.
4. To further develop systematic exchange of information about local services and needs between the public/private service systems and the CCMHB.

To accomplish these purposes, the Champaign County Mental Health Board must collaborate with the public and private sectors in providing the resources necessary for the effective functioning of the community mental health system.

COORDINATED SYSTEMS OF CARE

Comprehensive and
Diverse Set of Service
Approaches and
Strategies

High Quality/Effective
Care

Goal #1:

Support a continuum of services to improve the quality of life experienced by individuals with mental or emotional disorders, substance use disorders, or intellectual and/or developmental disabilities and their families residing in Champaign County.

Objective 1.1: With clear connection between the model and best outcomes for people served, encourage use of appropriate evidence-based, evidence-informed, recommended, innovative, or promising practice models. (Allocation Priority/Criteria Objective)

Objective 1.2: Promote wellness for people with mental illnesses, substance use disorders, or intellectual and/or developmental disabilities to prevent and reduce early mortality, through support services including access to services addressing basic needs, enrollment in benefit plans and coordinated access to primary care. (Allocation Priority/Criteria Objective)

Objective 1.3: Support development or expansion of residential and employment supports for persons with behavioral health diagnoses and no other payor source. (Allocation Priority/Criteria Objective)

Objective 1.4: Encourage and participate in community efforts to prevent overdose deaths and expand substance use disorder prevention and treatment. (Allocation Priority/Criteria and Collaboration/Coordination Objective)

Objective 1.5: Build resiliency and support recovery e.g. peer supports, outside of a clinical setting. Peer-run/operated, mutual help groups support professional medical therapy for recovery, maintenance of recovery, and familial support. (Allocation Priority/Criteria Objective)

Objective 1.6: Utilizing expertise of consultant(s) selected through RFP2022-010, build evaluation capacity of contracted providers in order to improve positive outcomes for those engaging in funded services. (Policy Objective)

Objective 1.7: Engage with consultant(s) selected through RFP2022-010 to improve providers' ability to set internal goals for advancing program performance outcome evaluation. (Policy Objective)

Objective 1.8: Support targeted efforts for workforce recruitment and retention initiatives, with level of assistance linked to length of service commitment. (Allocation Priority/Criteria Objective)

Objective 1.9: Enable providers to implement flexible service options, such as telehealth or other virtual means, to maintain access and engagement with clients and community. (Collaboration/Coordination Objective)

Goal #2:

Sustain commitment to addressing health disparities experienced by historically underinvested populations.

Objective 2.1: Support an inclusive network of culturally and linguistically responsive and family driven support groups. (Allocation Priority/Criteria Objective)

Objective 2.2: Provide technical assistance for continuous improvement of funded agency providers' cultural and linguistic competence plans to meet the needs of all people served. (Collaboration/Coordination Objective)

Objective 2.3: Encourage providers and other community-based organizations to allocate resources to provide training, seek technical assistance, provide language access and communication assistance, and pursue other professional development activities for all staff and governing or advisory boards to advance cultural and linguistic competence. (Allocation Priority/Criteria Objective)

Objective 2.4: Where families and communities are disproportionately impacted by incarceration, encourage the development of social networks

and improved access to resources. (Allocation Priority/Criteria and Policy Objective)

Objective 2.5: Assess and address the needs of residents of rural areas and farm communities, with assistance from the Regional Health Plan Collaboration. (Collaboration/Coordination and Policy Objective)

Objective 2.6: With assistance from the Regional Health Plan Collaboration, assess the impact of public health threats on racial, ethnic, gender and/or sexual minority groups or other at-risk populations in Champaign County. Encourage providers to improve health and behavioral health outcomes for all residents. (Collaboration/Coordination and Allocation Priority/Criteria Objective)

Maximize Efficient use of Limited Resources	Goal #3: On behalf of all eligible Champaign County residents, improve access to the supports, services, and resources currently available and beneficial to some.
Convening Stakeholders Networking and Information Sharing	
Participation in Networks/Partnerships	

Objective 3.1: Participate in and report on various coordinating councils whose missions align with the needs of the populations of interest to the Board with the intent of strengthening coordination between providers in the delivery of services. (Collaboration/Coordination Objective)

Objective 3.2: Communicate on issues of mutual interest with the C-U Public Health District and the Champaign County Board. (Collaboration/Coordination Objective)

Objective 3.3: Engage with CUPHD, United Way, Carle Foundation Hospital, and OSF in the Regional Health Plan Collaboration toward the next Community Health Improvement Plan. (Collaboration/Coordination Objective)

Objective 3.4: Increase awareness of community services and access to information on when, where, and how to apply for services, including through system navigators and expanded language access. (Collaboration/Coordination Objective)

Objective 3.5: Encourage providers to offer services in neighborhood community centers to reach all areas and people of Champaign County. (Collaboration/Coordination Objective)
