

CHAMPAIGN COUNTY
REGIONAL PLANNING
COMMISSION

Agreement

To: Darlene Kloeppe, Champaign County Executive
From: Rita Morocoima-Black, CCRPC/CUUATS Planning and Community Development Director
Mimi Hutchinson, CCRPC/Champaign County Program Compliance Oversight Monitor
Date: July 20th, 2022
Re: 5339b Vehicles for C-CARTS

Background: In 2019, CCRPC staff on behalf of Champaign County applied for a federal 5339b grant to replace three C-CARTS vehicles and add one expansion vehicle for the Champaign County Area Rural Transit System (C-CARTS). Even though 5339b is a federal program, the Illinois Department of Transportation (IDOT) is facilitating the grant and award process with grantees. In July 2022, IDOT notified CCRPC staff that Champaign County's grant application has been approved, but because of supply chain-related delays, the vehicles aren't expected to arrive in Champaign County for at least another two years. However, IDOT is ready to proceed developing a contract with Champaign County and completing other steps that are necessary before vehicle delivery.

Agreement: Once the vehicles are delivered, Champaign County agrees to pay the total cost of all four vehicles (\$260,000) understanding that IDOT will reimburse Champaign County within 4-6 weeks of vehicle delivery. It was also agreed in conversations with IDOT that Champaign County will hold the vehicle titles and be the effective owner of the four vehicles awarded under the 5339b grant once they are delivered to Champaign County.
