Terms of Agreement

Section 1. Recitals. The recitals set forth above are incorporated by reference into these terms of agreement.

Section 2. The County's Responsibilities. The County agreed to maintain and update its contract with Federal Signal Safety and Security Systems, Inc. ("the Vendor") at its initial expense for system upgrades that included: software for the siren system; software for the dispatch/computers; subscription for polygon alerting; two digital encoders; programming of encoders; field service. The County further agreed to maintain and update its contract with the Vendor for ongoing yearly maintenance for the software and any system upgrade. The County agreed to pay such initial expenses and ongoing maintenance costs with the understanding that Champaign, Urbana, Savoy, the University, Pesotum, and Sidney would reimburse the County their pro rata shares.

Pursuant to this Second Amendment, the County agrees to pay the initial expenses for siren repeater costs, ongoing maintenance for software and system upgrade and additional user fees with the understanding that Champaign, Urbana, Savoy, the University, Pesotum, Sidney, and Tolono will reimburse the County their pro rata shares as set forth in Exhibit C (attached), which shall be considered an updated attachment to the First Amendment.

In the event, new members are added pursuant to Section 13 herein, the County will adjust the allocation of pro rata shares for siren repeater costs, ongoing maintenance for software and system upgrade and additional user fees.

Section 3. Champaign's Responsibilities. Champaign agrees to repay the County for its initial expense and any ongoing expense for the initial upgrade or user fee which is particular to it. In addition, Champaign will pay the ongoing yearly repeater costs and maintenance of software on a pro rata basis. Champaign also agrees to house and keep in good condition the backup encoder at its Fire Station 1 or other suitable place as Champaign may, from time to time, designate.

Section 4. Urbana's Responsibilities. Urbana agrees to repay the County for its initial expense and any ongoing expense for the initial upgrade or user fee which is particular to it. In addition, Urbana will pay the ongoing yearly repeater costs and maintenance of software on a pro rata basis. Section 6. The University's Responsibilities. The University agrees to repay the County for its initial expense and any ongoing expense for the initial upgrade or user fee which is particular to it. In addition, the University will pay the ongoing yearly repeater costs and maintenance of software on a pro rata basis. The formula for repaying the County for repeater costs and maintenance and software shall be the total cost the County paid to the Vendor for those items divided by the total number of sirens of the Parties multiplied by the number of sirens belonging to the University.

Section 7. Pesotum's Responsibilities. Pesotum agrees to repay the County for its initial expense and any ongoing expense for the initial upgrade or user fee which is particular to it. In addition, Pesotum will pay the ongoing yearly repeater costs and maintenance of software on a pro rata basis. The formula for repaying the County for repeater costs and maintenance and software shall be the total cost paid by the County to the Vendor for those items divided by the total number of sirens of the Parties multiplied by the number of sirens belonging to Pesotum.

Section 8. Sidney's Responsibilities. Sidney agrees to repay the County for its initial expense and any ongoing expense for the initial upgrade or user fee which is particular to it. In addition, Sidney will pay the ongoing yearly repeater costs and maintenance of software on a pro rata basis. The formula for repaying the County for repeater costs and maintenance and software shall be the total cost paid by the County to the Vendor for those items divided by the total number of sirens of the Parties multiplied by the number of sirens belonging to Sidney.

Section 9. Tolono's Responsibilities. Tolono agrees to repay the County for its initial expense and any ongoing expense for the initial upgrade or user fee which is particular to it. In addition, Tolono will pay the ongoing yearly repeater costs and maintenance of software on a pro rata basis. The formula for repaying the County for repeater costs and maintenance and software

In the event the sirens must be manually sounded, METCAD agrees to work with the Regional Emergency Coordination Group to maintain standard operating procedures for sounding an alert.

Section 11. Other Expenses. In the event that the Parties agree on other expenses for upgrade or maintenance of siren software, Champaign, Urbana, Savoy, the University, Pesotum, Sidney, and Tolono agree to pay them in the same proportion as the ongoing maintenance expenses provided for in Sections 3, 4, 5, 6, 7, 8 and 9 of this Agreement.

Section 12. Indemnification. Champaign, Urbana, Savoy, the University, Pesotum, Sidney, and Tolono shall be solely responsible for the cost and maintenance of the software and hardware for the above-described alert system upgrade. They are each responsible for upgrading the sirens in their control and shall remain obligated to the County for the cost of software or system-wide expenses as provided in this Agreement, whether or not they are able to take full advantage of them. Champaign, Urbana, Savoy, the University, Pesotum, Sidney, and Tolono agree to indemnify, hold harmless and defend the County in the event of any contract dispute with the Vendor.

To the fullest extent permitted by law, each Party (an "Indemnifying Party") shall, at its sole expense, indemnify and defend each other Party from and against all claims for damage to property or injury to persons, including death, to the extent proximately caused by the act or omission of the Indemnifying Party and arising out of or relating directly or indirectly to this Agreement.

Section 13. Adding New Members. The Parties anticipate from time to time new members from within Champaign County will wish to be added on the same terms as Champaign, Urbana, Savoy, the University, Pesotum, Sidney, and Tolono.
